Tips: Shorten your stitch length to between 1.2 and 1.5 before you sew. It will make the paper easier to tear off afterwards. Make sure to cover all the seam allowance (1/4") with fabric.

Please do not copy or redistribute this pattern in any form. You may sell items that you have made but not mass produced items. If you sell online or show a picture of your made item, you must include "Pattern designed by Quilt Art Designs"
