### Your Justifications:

#### YES, because...

- Everybody spoke about it.
- The Mayas predicted it.
- My brothers always spoke about it.
- I watched documentaries on TV
- It was raining and very cloudy on that day!
- I watched the film "2012"

#### NO, because...

- Scientists didn't prove it
- It wasn't the first time it was predicted
- It's not the 21<sup>st</sup> of December in the same time across the world

#### I DON'T KNOW, because...

- Our parents heard about the end of the world 180 times!
- A lot of media published the end of the world.
- We don't know the Scriptures of Mayas.
- We aren't diviners so we don't know.
