

ULIS STUDENTS AT THE THEATRE.

Friday, May 31st

What is happening in the Saint Louis theatre in Pau?

We are on the stage with our review leader, Rosalie!!

We just need to have a hat to be the star.

We dance, we slip*, we fall over.

We are very surprised by Léandre, the director who is wearing a feather diadem* at and his Zimmer frame*.

The public is happy and clap* us.

The crew* is intergenerational : the youngest actor is 7 years old , the oldest , Jeanne is 97 years old.

The play is about* existence and love.
