1 – The National History Museum. Who would have a poster with this on it? Excuse me, is this your poster?

S1 – No way it is not mine! Put it back where you found it, or you will be dead meat!

2 – Whoa slow down! It is just a poster! What is your name?

S1 – My name is *(student's name)*.

2 – Nice to meet you S1. Tell us, what is so dangerous about this poster?

S1 – It is not the poster, it is the people who own it that are dangerous.

1 – Who owns this poster?

S1 – I cannot tell you that, otherwise they will kill me!

1 – Do not be such a sissy! Who does it belong to, your teacher?

S1 – No it does not belong to my teacher – although he/she is also terrifying!

2 – What about your classmates, does it belong to one of them?

S1 – Stop asking me questions or she will kill me!

2 – Who will kill you?

S1 – Rita Repulsa!

1 – Aha! So the poster belongs to Rita Repulsa?

S1 – Yes it does, but now that I have told you my life is in danger!

1 – Do not worry S1. My trusty Human Shield and I will protect you from any danger. Tell us what you know.

S1 – Rita Repulsa and Susie Sidekick are going to the National History Museum tonight to steal the Mona Lisa.

1 – I know you are too slow to understand. I know! I will get one of my many fans to help me out. Let me see... You there! You look like a man who knows how to talk to girls. What is your name?

S2 – My name is *(student's name)*.

1 – And how old are you?

S2 – I am *(student's age)*.

1 – You look like a young man who knows how to talk to girls, is that correct?

S2 – Of course! I am a real ladies man, girls cannot resist my charms.

2- Wow, you are really confident for someone of your age!

S2 – When you look this good, confidence comes naturally.

2 – Okay hot shot; let's put you to the test!

1 – Yes, excellent idea Human Shield! S2, I want you to teach my friend here how to flirt with girls.

2 – What? No way!

S2 – I am a bit unsure about this. Your friend is not very good looking so it will be a lot of work.

1 – I am not asking you to fix him completely. That is impossible! Maybe just give him a few ideas about how to ask a girl out on a date.

S2 – Sure why not. I will share my talents with those less fortunate than me.

2 – Yeah okay we get the point! Let's just get on with it.

S2 – Okay, Human Shield. With girls, you need to stand tall, make plenty of eye contact and give her a smile or a wink, like this.

2 – Well that all seems easy enough. What do I do next?

S2 – The next thing to do is show off your assets.

2 – My what?!

S2 – Your assets! To attract girls! Like this *(flexes muscles in a body builder kind of way)*.

2 – Eh... okay I'll try. How was that?

S2 – Not the best I have seen! I do not think many girls find you attractive...

2 – Why...!

1 – I think you should go now S2, thank you for trying!

S2 –You know Rome was not built in one day! Goodbye

S3 – You should relax, he is just a boy!

4 – Well it's not only that. I cannot relax, I am way too nervous.

S3 – Calm down and take deep breaths.

4 – Okay I will try. Thank you very much that really helps. What is your name?

S3 – My name is *(student's name)*.

4 – Lovely to meet you. Maybe you could help me, I have a date tonight and I have no idea what to do!

S3 – Of course I will help you. Let me see. I think you need a makeover.

4 – Do you really think so?

S3 – Yes, maybe you should try and wear something a bit more feminine.

4 – Like this?

S3 – No way, that looks like something my granny wears!

4 – Okay how about this?

S3 – That is definitely much better! You will look amazing in that dress.

4 – What about when I meet him later. What should I do?

S3 - You need to relax and smile.

4 – Oh you mean like this?

S3 – Not quite like that! Just smile

4 – Ok

S3 – I am sure you will have a great time. Remember: he will stay a while if you smile!

S4 - Absolutely Rita, ask me anything!

S4 - True! I mean... I do not know!

3 – You know very well what is going on! Now tell me, what is going on between Susie and Human Shield?

S4 – Please do not make me tell you, I do not want to help the bad guys!

3 – Tell me now, or I will hang you by your ears out of the classroom window!

S5- Come on! Just because you won, you don't have to be so arrogant.

1- Anyway, you are not strong enough, that's a fact! So go back to playing with your school mates.

S5- No worries, I will... But how will you help the Human Shield when he is held hostage...

1- Don't say stupid things, he just went to the cinema with a girl, it's not that dangerous.

S5 - Oh, of course you don't know. He's meeting Susie Sidekick! It's a trap from Rita Repulsa!

1 - A trap from Rita Repulsa? Are you sure?

S5 - Yes I am ! So, good luck, you will need it! Loner!

S6 – She was taken by Rita Repulsa to her secret place.

2 – Wow! You know a lot. But I have no idea where this secret place is.

S6 – Well it's on Grafton Street.

2- Wow! There is a lot of friendly people around here. That's handy! What did you want to tell me?

S7 I think you should go and rescue your girl, have your Grand Finale!

2- I don't know I'm not a Superhero. I'm not even Captain Awesome's sidekick anymore, as I quit!

S7 – Human Shield, remember there are only two ways to become a Superhero.

2 - One way is to have a family member who is a Superhero.

S7 - Or you have to do a really brave act ! That's it. Now is your time!

2 – You are right! I can still go and save the day. Thank you for all your help.
