

Les louanges reviennent à Allâh, nous Le louons et demandons Son aide et nous cherchons refuge en Lui contre nos propres maux et contre nos mauvaises actions; celui qu'Allâh guide personne ne peut l'égarer et celui qu'Allâh égare personne ne peut le guider. J'atteste qu'il n'y a de divinité adorée avec vérité qu'Allâh, Lui Seul : Il n'a aucun associé, et j'atteste que Mohammad (صلى الله عليه وسلم) est Son serviteur et Son Messenger.
