

**Little Charmers - Filler Blocks for Baby Quilts**

The colors listed here are only suggestions - feel free to use the colors that you prefer. All of these designs have been sewn out several times on different machines using two layers of tear away stabilizer.

These designs will fit into a 4 x 4 block. Each object will sew out and outline itself with the same color. You could make all of the objects in the design the same color - each time the machine stops, just continue on without changing thread color.

These designs have been manually digitized and carefully tested. You have our permission to use these designs on projects for yourself, as gifts or for items for sale. Please give credit to [www.charmingstation.com](http://www.charmingstation.com) where possible. You do not have the right to resell these designs or these graphics or to give them to others under any circumstances.
