The original copyright of embroidery files is owned with all rights reserved by the creator of the original files.

WHEN YOU PURCHASE OR DOWNLOAD SAMPLE EMBROIDERY DESIGNS, YOU ARE GRANTED A LICENSE TO USE THE ELECTRONIC FILES, NOT OWNERSHIP OF THE SOFTWARE.

When you purchase or download designs from OregonPatchWorks Inc., you are granted a single-user license of the files to create stitch outs from them.

The ownership of the design stitch files and related graphic files is retained by the craftsperson that created them.

These digitized embroidery designs and graphics are protected under USA Federal Copyright Law & International Treaties.

The design and graphic files themselves, or any part thereof, cannot be sold, duplicated or shared in any way and are for use by the original purchaser/user only.

The user license covers the following uses:

Unless otherwise stated in the digitizer's supplemental copyright statement, the user may stitch out the designs on finished projects for personal use, gifts or resale by the original purchaser only. If the finished project items or stitch-outs are displayed for sale online or in a physical location (store), credit to the digitizer and a link to www.oregonpatchworks.com is required.

This license does not cover mass production without additional permissions. If you intend to produce multiple identical items for resale, contact us first at support@oregonpatchworks.com

Transference of the embroidery files from original purchaser to any other person or group is strictly prohibited.

You may not lend, give or sell the files to anyone else EVER. You may not change, add to, delete parts of, or alter the files and then call them your own.

You cannot send them via email or by any other method to another embroiderer to be split or changed in any way.

Any alteration requests should be directed to support@oregonpatchworks.com and will be forwarded to the owner of the copyright.
