Slow, with double-time feeling

There's got to be... a Morning After
Oh, can't you see... the morning after?

if we can hold on through the night,
It's waiting right outside the storm.

We have a chance... to find the Why don't we cross... the bridge to...

sunshine.

Let's keep on looking for the place that's safe and light.

warns.

It's not too late,... we should be giving.

Only with love... can we climb.

It's not too late.

not while we're living.

Let's put our hands out in time.

There's got to be— A Morn-ing A f-ter. We're mov-ing clos-er to the
shore. I know we'll be there by to-mor-row.

and we'll en-cap-se the dark-ness, we won't be search-ing any-more.

Repeat and fade

There's got to be— a Morn-ing A f-ter.
