Family and Child Services

Mrs. John F. Kennedy, Honorary Member of the Board of Trustees of "Family and Child Services," has accepted the Honorary Chairmanship of the 'fit,' this charity being one of the two beneficiaries.

Washington's "Family and Child Services" is the largest semi-governmental organization of its kind. It furnishes counseling on personal and family problems. It runs a licensed adoption service and provides care for children in need of temporary attention away from home.

For working mothers, the organization provides day care for their children in addition to evening nursery camps for youngsters.

Le Coeur Ikire Franchise

"Le Coeur Ikire Franchise" was organized to provide financial assistance to值得 Franch partners, in America of French descent and to all organizations who through their activities have contributed to the furtherance of good French-American relations.

This "fit" offers an opportunity to all those who are able to lend financial support and who are in sympathy with its purpose to contribute generously to this cause.
