Brochure History in the making

Couverture / Cover
At £540m, QM2 is the most expensive liner ever. Acknowledged as one of the most ambitious engineering feats of the century, the new Cunard flagship is destined to become an icon of our time and a ‘must do’ travel experience of the modern era.

LESS THAN SIX MONTHS TO GO!

With 14 bars, 30 dining areas, 5 pools and the first planetarium at sea, this great liner will surely be the most magnificent resort on the planet. In less than six months, the ultimate floating pleasure zone will be yours to enjoy to your heart’s content.
THE DAWNING OF A NEW ERA

It's five years since plans for
'Project Queen Mary'
were unveiled on
30 June.

Milestone after milestone,
excitement has been
building ever since.

One thing hasn't altered,
though - our mission to
create the epitome of
style and luxury at sea.

1998
8 JUNE

Cunard announces
'Project Queen Mary'

'It is our objective to
build a new generation of
ocean liner that will be the
very pinnacle of the
shipbuilder's art.'

2001
