LIFE BOAT DRILL
In accordance with government regulations boat drills will be held periodically during the cruise. All Cruise-Members are urged to attend these drills which are designed to enhance the safety of passengers at sea. Complete information and instructions are posted in each stateroom.

FIRE PRECAUTIONS
Cruise-Members are earnestly requested to exercise care in disposing of cigar and cigarette ends and matches in view of the serious consequences which can arise from carelessness in this respect. Throwing lighted cigarettes, etc., overboard should be scrupulously avoided, as such suction as is created by the ship in motion tends to draw them in through open portholes with serious results. Please extinguish all cigars and cigarettes before disposing of them in the receptacles provided for the purpose in various parts of the ship.

THE CRUISE OFFICE
The Raymond-Whitcomb Cruise Office on board the “Normandie” is located on the Promenade Deck forward on the port side of the ship. It will be open daily throughout the cruise.

STAFF INSIGNIA
Members of the Raymond-Whitcomb Cruise Staff may be recognized by the round, gold buttons bearing the letters “R-W” which are worn in their lapels.

BULLETIN BOARDS
Attention of Cruise-Members is called to the Bulletin Boards, on which will be posted notices regarding shore excursions, entertainments, lectures and other items of general interest and also any changes which may be found necessary.

DIVINE SERVICES
Divine Services will be held each Sunday during the Cruise at 11 a.m. in the Chapel on “B” Deck.
HOLY MASS
A priest of the Roman Catholic Church will celebrate Holy Mass at 7 o'clock each morning and at 7 and 9 o'clock each Sunday morning during the Cruise in the Chapel on "B" Deck.

DECK CHAIRS AND RUGS
Deck chairs for the voyage on the "Normandie" from New York to New York will be assigned by the Deck Steward at $3.00 each. Rugs may be secured from him at $1.50 each and deck chair cushions at $1.50 each.

MEDICAL ATTENTION
The ship's medical officers are authorized to make customary charges, subject to the approval of the Commander, for treating any passengers at their request, for any illness.

LIBRARIES
In addition to a library of Standard Works, a special selection of up-to-date novels and travel literature is available for the use of Cruise Members.

CO-OPERATION
The cruise management respectfully requests the co-operation of all passengers in connection with the arrangements for shore excursions, entertainments, landing, embarking, etc. Liberal arrangements have been made in connection with all shore excursions and if passengers will follow the directions shown in the various leaflets, which will be distributed in due time before arrival at the various ports, there will be plenty of room for all without any crowding or confusion. Before leaving the steamer at any port be sure that you know the time the last Tender will leave the shore and not the time the steamer is scheduled to sail. Remember the number of your automobile, as well as your guide on shore trips so as to eliminate confusion on re-entering the automobile after leaving the buildings visited.

Do not hesitate to apply at the Cruise Office for information regarding anything you do not understand.

Consult Bulletin Board frequently for possible necessary changes and general information.
