

# TRUE CELT COWL

This cowl was made at first as a cowl for men – but in the end it fits to women as well! Thicker yarn and simple celtic cable creates great companion for winter wandering for anyone ☺

Even this is simple design – fine for beginners, you should need to know how to work with cable needle and how to knit in the round. Then it's just a few hours of knitting and voila!

For questions about the pattern you can contact me at [hanapaimen@gmail.com](mailto:hanapaimen@gmail.com) or write pm to my Ravelry account (hanapaimen).

Happy knitting!

## YOU WILL NEED:

- 3 skeins of Drops Nepal yarn (225m) or any yarn in similar weight
- 5 mm circular needles (the cable should have 40 cm) or maybe you can use DPNSs too
- Cable needle
- 1 stitch marker
- Tapestry needle, scissors

## ABBREVIATIONS:

**K** – knit; **p** – purl; **CN** – cable needle; **2CNB-K2-P2** – move 2 sts to CN and hold in the back, knit 2 sts, purl 2 sts from the CN; **2CNF-P2-K2** - move 2 sts to CN and hold in the front, purl 2 sts, knit 2 sts from the CN; **2CNB-K2-K2** -move 2 sts to CN and hold in the back, knit 2 sts, knit 2 sts from the CN; **2CNF-K2-K2** – move 2 sts to CN and hold in the front, knit 2 sts, purl 2 sts from the CN

## BEGINNING:

You can knit with the chart or with the written pattern. The beginning for both options is the same:

Cast on 112 sts.

Join in the round. Place marker at the beginning and don't forget to slip the marker on the beginning of every row.

Row 1-10: \*k2, p2\* repeat to the end of the row

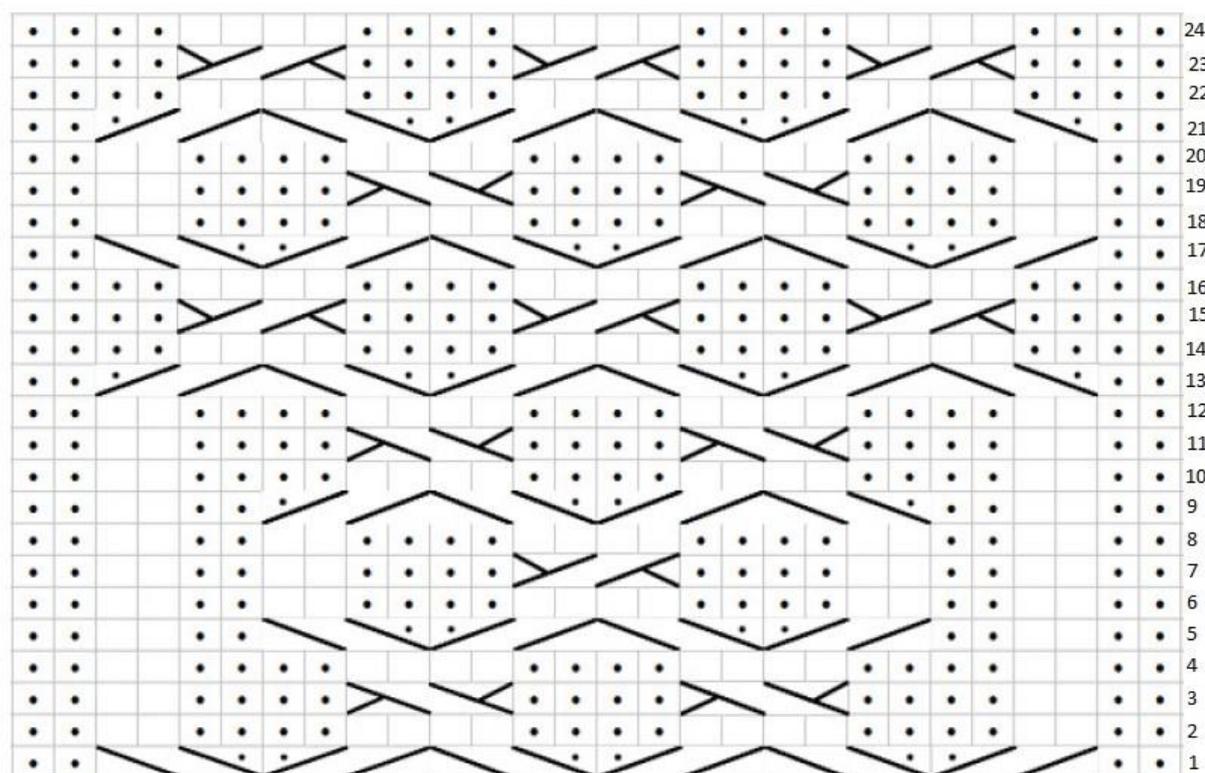

When you have this ribbed edge, you can follow next steps via chart or written pattern (which is below).

## THE CHART:

The chart shows only one part of the pattern (only 28 sts) – you will repeat the chart three more times (you casted on 112 sts = there is 4 cable sections with 28 sts).

When you finish row 24, then you repeat the WHOLE chart one more time (the whole chart = rows 1 – 24).

Once you have it done, then you make the finishing part – now go under the „written pattern“ section – there is „Finishing“ which is the same for chart and written pattern.

 Knit

 Purl

Slip 2 stitches to cable needle and hold to front; purl next 2 stitches, then knit 2 from the cable needle

Slip 2 stitches to cable needle and hold to back; knit next 2 stitches, then purl 2 from the cable needle

## FINISHING:

When you finished the second repeat of the chart; you will knit the ribbed edge:

Rows 1 – 10: \*k2, p2\* repeat to the end of row

Bind off – you can use any bind off you want; but here is one basic method:

Basic bind off – knit first two sts of the row, \*slip first stitch (right stitch on the right needle) over the second stitch (left stitch on the right needle), knit another one stitch from left needle\* - continue from \* to \* to the end

Block it, if you want – I didn't block the cowls showed on the pictures, so blocking is up to you 😊

Weave in ends, wear it with love. ♥
