

*Un grand merci à kristyann qui a traduit le modèle de mon poncho*

*multicolore pour les tricoteuses anglophones !*

« For those who would like an English version of this pattern, I have loosely translated it for you. (Really for me, since I want to knit it as well). It's just gorgeous and I hope its okay with the designer. »

Cast on 194 stitches on size 4.5mm needles (or size 7 American)

Knit 8 ridges of garter stitch

Knit in stockinette for 20 - 22 inches maintaining a 7 stitch garter stitch border on either side to prevent rolling

Incorporate 10 increases evenly across the next row (so the shoulders are not too tight).

K2 P2 rib for 8 rows.

Bind off loosely.

*Repeat entire pattern for back side. Seam together at shoulders (ribbed edge) leaving room for your head.*

It appears the original designer used 2 strands of fingering weight held together, various scraps always held with a light grey for unity.
