Introduction

This transposition of the SUZUKI VIOLIN SCHOOL makes available to the beginning viola student the carefully structured repertoire of The Suzuki Method™ - a method that teaches basic playing skills and develops listening and memorizing ability through the playing of beautiful music.

Regardless of the age of the student, it is hoped that Dr. Suzuki's principles of learning by listening, training the memory, and concentrating on producing a beautiful tone will be observed. Remember that ability develops after a composition has been learned - in the mastering process. The practice suggestions emphasize the need to isolate technical and musical problems, and encourage the teacher to use all the opportunities inherent in the repertoire for orderly growth toward mastery of the instrument.

This volume is also recommended for violinists who wish to become familiar with the viola and reading of the alto clef. For this reason, finger numbers have been kept to a minimum in order that reading will progress by note rather than by finger. The teacher is urged to stress knowledge of names of first-position notes on the viola before note reading progresses to the higher positions.

Many of the solos in this volume are written in the same keys as those in the corresponding SUZUKI CELLO SCHOOL repertoire; also, some solos can be played with the compositions in the SUZUKI VIOLIN SCHOOL.

Doris Preucil

FOR THE STUDENT: This material is part of the worldwide Suzuki Method of teaching. Companion recordings should be used with these publications. In addition, there are piano accompaniment books that go along with this material.

FOR THE TEACHER: In order to be an effective Suzuki teacher, a great deal of ongoing education is required. Your national Suzuki association provides this for its membership. Teachers are encouraged to become members of their national Suzuki associations and maintain a teacher training schedule, in order to remain current, via institutes, short and long term programs. You are also encouraged to join the International Suzuki Association.

FOR THE PARENT: Credentials are essential for any teacher that you choose. We recommend you ask your teacher for his or her credentials, especially listing those relating to training in the Suzuki Method. The Suzuki Method experience should be a positive one, where there exists a wonderful, fostering relationship between child, parent and teacher. So choosing the right teacher is of the utmost importance.

In order to obtain more information about the Suzuki Method, please contact your country's Suzuki Association, the International Suzuki Association at 3-10-15 Fukashi, Matsumoto City 390, Japan, or Summy-Birchard Inc., c/o Warner Bros. Publications Inc., 265 Secaucus Road, Secaucus, New Jersey 07096, for current Associations' addresses.

Study Points for Volume 2

- 1. The child should listen to the reference recordings every day at home to develop musical sensitivity. Rapid progress depends on this listening.**
- 2. Tonalization, or the production of a beautiful tone, should be stressed in the lesson and at home.**
- 3. Constant attention should be given to accurate intonation, correct posture, and the proper bow hold.**
- 4. Parents and teachers should strive to motivate the child so he will enjoy practicing correctly at home.**

Suggestions for Tone Production

Basic preparations for tone production have stressed: finger, bow, then play. "Stop, think, then play" should now be an established practice technique which will result in a clear sound on each note.

Throughout this book, the pieces afford opportunity to develop a smoother tone and stylistic variety by increased use of the whole bow and its various parts.

Four basic factors in bowing are always at work in relationship to each other:

1. the speed of the bow stroke
2. the weight exerted on the bow-hair
3. the distance of the bow from the bridge (contact point)
4. the amount of hair in contact with the string

Constant attention to all four factors is necessary for proper control and variety of tone production.

The lower, thicker strings are more difficult to set into vibration than the higher strings. Feel the bow engage the string before playing. Try a slower speed, with more weight, and adjust the contact point by listening carefully to the "purchase" of the tone.

Extensive use of the open strings in this book is a positive measure to encourage an approach to tone production — a way of moving the bow on the string so that each tone has the clarity and purity of an open string.

Tonalization

Each lesson should begin with tonalization.
Try to produce a beautiful tone. Use full bows.

Exercises for the close 1 – 2 finger pattern

Play these studies on all strings.
Use proportionately less bow in faster speed.

4 Long, Long Ago

Moderato

T.H. Bayly

First staff of music, treble clef, 3/4 time signature. It begins with a quarter rest, followed by a series of eighth notes: G4, A4, B4, C5, B4, A4, G4. A fourth finger fingering (4) is indicated above the C5 note. The dynamic marking *mf* is below the first note. A hairpin crescendo is shown below the staff.

Second staff of music, treble clef, 3/4 time signature. It continues with eighth notes: G4, A4, B4, C5, B4, A4, G4. A fourth finger fingering (4) is indicated above the C5 note. The dynamic marking *p* is below the final note. A hairpin crescendo is shown below the staff.

Third staff of music, treble clef, 3/4 time signature. It begins with a quarter rest, followed by eighth notes: G4, A4, B4, C5, B4, A4, G4. A zero fingering (0) is indicated above the G4 note. The dynamic marking *f* is below the first note. A hairpin crescendo is shown below the staff.

Fourth staff of music, treble clef, 3/4 time signature. It continues with eighth notes: G4, A4, B4, C5, B4, A4, G4. A fourth finger fingering (4) is indicated above the C5 note. The dynamic marking *f* is below the first note. A hairpin crescendo is shown below the staff.

Variation

Fifth staff of music, treble clef, 3/4 time signature. It begins with a quarter rest, followed by eighth notes: G4, A4, B4, C5, B4, A4, G4. A zero fingering (0) is indicated above the G4 note, and two slurs (V) are above the A4 and B4 notes. A fourth finger fingering (4) is indicated above the C5 note. The dynamic marking *mf* is below the first note.

Sixth staff of music, treble clef, 3/4 time signature. It continues with eighth notes: G4, A4, B4, C5, B4, A4, G4. A fourth finger fingering (4) is indicated above the C5 note. The dynamic marking *f* is below the first note. A hairpin crescendo is shown below the staff.

Seventh staff of music, treble clef, 3/4 time signature. It continues with eighth notes: G4, A4, B4, C5, B4, A4, G4. A zero fingering (0) is indicated above the G4 note. The dynamic marking *f* is below the first note. A hairpin crescendo is shown below the staff.

Eighth staff of music, treble clef, 3/4 time signature. It continues with eighth notes: G4, A4, B4, C5, B4, A4, G4. A fourth finger fingering (4) is indicated above the C5 note. The dynamic marking *mf* is below the first note. A hairpin crescendo is shown below the staff.

Finger Placement Studies

Ex. 1 Practice resetting the finger firmly on each single string. Keep left elbow flexible, swinging in under the viola for the C string, and back to the left for A string notes.

Ex. 2. Practice staccato first, then legato. Set finger first, then bow, then play.

Two staves of musical notation for Finger Placement Studies. The first staff (Ex. 1) shows a sequence of notes on the C and A strings, with fingerings 0, 0, 0, 0 indicated above the first four notes. The second staff (Ex. 2) shows a sequence of notes on the C and A strings, with fingerings 4, 4, 4, 4 indicated above the last four notes. Both staves are in C major and 3/4 time.

Walking Finger Studies

Take care that the fingers are released with as much vitality as when they are placed.

Four staves of musical notation for Walking Finger Studies. Each staff shows a sequence of notes on the C and A strings, with fingerings 0 1, 1 2, 2 3, and 3 4 indicated above the first two notes of each staff. The notes are connected by slurs, indicating a walking motion. Each staff ends with a double bar line and repeat dots. The music is in C major and 3/4 time.

Bourrée

Allegretto

G.F. Handel

The musical score consists of ten staves of music. The first staff is in treble clef and begins with a *p* dynamic and the instruction *espressivo*. It features a series of eighth notes with a *v* (accents) marking above the first measure. The second staff is in bass clef and contains a four-fingered (*4*) eighth-note pattern. The third staff is in treble clef and continues the melodic line. The fourth staff is in bass clef and includes a *mf* dynamic and a *v* marking. The fifth staff is in treble clef and shows a *p* dynamic. The sixth staff is in bass clef and features a *f* dynamic. The seventh staff is in treble clef and includes a *pp* dynamic. The eighth staff is in bass clef and contains a *p* dynamic. The ninth staff is in treble clef and ends with a *pp* dynamic. The tenth staff is in bass clef and concludes the piece with a *4* fingering.

Tonalization

Exercises for New Finger Pattern (Pattern 4)

Finger Pattern 4

1st finger is close to nut ($\frac{1}{2}$ step higher than open string.)
3rd and 4th fingers also are close.

This is the first time the lowered 1st finger is used.

To avoid pulling the 3rd finger out of proper position, practice the following silent exercise. Keep the 3rd finger in place as the 1st finger slides back from E \natural to E \flat .

Ear Training

Exercises for perfect octave intonation.
Listen to the resonance of the open C, G and D strings, and try to match the octave pitches perfectly.

The Two Grenadiers

R. Schumann

Moderato

The musical score consists of two staves, likely for piano and violin. The key signature is one flat (B-flat major or D minor), and the time signature is common time (C). The score is divided into several sections with various markings:

- Section 1:** Starts with a *Moderato* tempo. The first staff begins with a rest, followed by a series of notes. Dynamics include *mf*. There are several accents (*V*) and slurs. A circled number 1 is placed above the first measure of the second staff.
- Section 2:** The second staff continues with a circled number 2 above it. Dynamics include *p* and *agitato*. There are slurs and accents.
- Section 3:** The third staff begins with a circled number 3 above it. Dynamics include *cresc.* (crescendo). There are slurs and accents.
- Section 4:** The fourth staff continues with a circled number 4 above it. Dynamics include *piu mosso* and *Moderato*. There are slurs and accents.
- Section 5:** The fifth staff begins with a *rit.* (ritardando) marking. Dynamics include *f* (forte). There are slurs and accents.
- Section 6:** The sixth staff continues with dynamics *mp* and *mf*. There are slurs and accents.
- Section 7:** The seventh staff begins with a *ff* (fortissimo) marking. There are slurs and accents.
- Section 8:** The eighth staff continues with a *allarg.* (allargando) marking. There are slurs and accents.

8

Theme from "Witches' Dance"

Andante

N. Paganini

The musical score is written for a single melodic line in 2/4 time, with a key signature of one sharp (F#). It is divided into four systems, each starting with a circled number (1, 2, 3, 4).
System 1 (measures 1-8): Starts with a circled '1'. Dynamics include *mf* and *f*. Features slurs, accents, and fingerings (0, 3, 4).
System 2 (measures 9-16): Starts with a circled '2'. Dynamics include *f* and *p*. Features triplets and slurs.
System 3 (measures 17-24): Starts with a circled '3'. Dynamics include *p* and *meno mosso*. Features slurs and a double bar line with repeat signs.
System 4 (measures 25-32): Starts with a circled '4'. Dynamics include *f*. Features triplets and slurs.

Position Etudes

The student should continue practicing until he becomes skillful at these etudes.

At the beginning, practice the position etudes on one string at a time. When they are mastered on one string, practice on the next string.

2nd Position

A string

Musical notation for the 2nd Position A string exercise. The piece is in 3/4 time and consists of two staves. The first staff contains the first two measures, and the second staff contains the next two measures. The notes and fingerings are as follows:

Staff	Measure	Notes (Fingering)
1	1	B \flat (1), C (2), D (3)
1	2	E (4), D (3), C (2), B \flat (1)
1	3	C (1), D (2), E (3), F (4)
1	4	G (3), F (2), E (1), D (b) (3)
2	1	C (b) (1), D (1), E (2), F (3)
2	2	G (4), F (b) (3), E (2), D (b) (3)
2	3	C (b) (1), D (1), E (3), F (2)
2	4	G (b) (3), F (2), E (1), D (b) (1)

3rd Position

A string

Musical notation for the 3rd Position A string exercise. The piece is in 3/4 time and consists of two staves. The first staff contains the first two measures, and the second staff contains the next two measures. The notes and fingerings are as follows:

Staff	Measure	Notes (Fingering)
1	1	B \flat (1), C (1), D (2)
1	2	E (3), D (2), C (1), B \flat (1)
1	3	C (b) (1), D (1), E (2), F (3)
1	4	G (4), F (3), E (2), D (3)
2	1	C (b) (1), D (1), E (3), F (4)
2	2	G (4), F (3), E (2), D (3)
2	3	C (b) (1), D (1), E (3), F (2)
2	4	G (4), F (3), E (2), D (b) (1)

The left thumb should keep the same relative position with the rest of the hand on both upwards and downwards shifts in these exercises. Hold the viola firmly on the shoulder, but avoid excessive “squeezing” at all times, and particularly on downward shifts.

Introduction to Positions

To familiarize the student with 2nd and 3rd positions, review the melody of Perpetual Motion by Suzuki and then transpose it upward, step by step.

Perpetual Motion

E flat Major

The first four staves of the musical score for Perpetual Motion in E flat Major. The first staff begins with a treble clef, a key signature of two flats (Bb and Eb), and a common time signature (C). The melody consists of eighth notes, with the first measure containing a triplet of eighth notes. Above the first measure, there is a '4' indicating a fourth finger. Above the second measure, there is 'sim.' followed by a '4', indicating a fourth finger. Above the third measure, there is another '4'. Below the first staff, there are five horizontal lines, each starting with a '1' and ending with a horizontal bar, representing fingerings for the first five measures. The second, third, and fourth staves continue the melody in the same key signature and time signature, with similar horizontal lines below them.

E Major

The musical score for Perpetual Motion in E Major, showing the first measure of the melody. The key signature has three sharps (F#, C#, G#) and a common time signature (C). The melody consists of eighth notes. The word "etc." is written to the right of the staff.

F Major — 2nd position

The musical score for Perpetual Motion in F Major, 2nd position. The key signature has one flat (Bb) and a common time signature (C). The melody consists of eighth notes. Above the notes, there are fingerings: 1 2 3 3 2 3 4 4 3 4 1 3 4 2 1 1. The word "etc." is written to the right of the staff.

G Major — 3rd position

The musical score for Perpetual Motion in G Major, 3rd position. The key signature has two sharps (F# and C#) and a common time signature (C). The melody consists of eighth notes. Above the notes, there are fingerings: 1 2 3 3 2 3 4 4 3 4 1 3 4 2 1 1. The word "etc." is written to the right of the staff.

Also practice these exercises beginning on the G and C strings.

Allegretto

A. Thomas

The musical score is written for piano and bass. It begins with a treble clef and a 2/4 time signature. The tempo is marked "Allegretto". The score consists of 12 staves, with the first six staves for the right hand (piano) and the last six for the left hand (bass). The music features a mix of eighth and sixteenth notes, often beamed together. Dynamics include *mf* (mezzo-forte), *f* (forte), and *p* (piano). Performance instructions include *rall.* (rallentando) and *mf a tempo*. The score includes various musical markings such as slurs, accents, and fingerings (e.g., 0, 4, 3, 1, 2, 3). There are also circled numbers 1, 2, and 3, likely indicating specific fingering or phrasing points. The piece concludes with a double bar line and repeat dots.

rall. *mf a tempo*

Moderato e grazioso

The musical score is written for two staves in G major and 3/4 time. It begins with a *mp* dynamic and includes various articulations such as accents, slurs, and trills. Fingerings are indicated with numbers 0, 3, 4, and trills. The score is divided into sections with first and second endings. Dynamics range from *pp* to *f*. The piece concludes with a *D.C. al Fine* instruction and a final chord.

13 Practice Suggestions

Circled numbers refer to corresponding numbers in the composition.

(Chorus from "Judas Maccabaeus")

- ① Check the potential sound of the first note by plucking it. To make the tone ring clearly, use firm finger pressure.
- ② When playing slurred, dotted rhythms (as in measure 1), listen for a smooth legato sound.
- ③ Set fingers 3 and 4 on the D string to prepare G \sharp and A.

(Musette)

- ① Note that Musette has only two pulses in a measure.
- ② Distribute the bow carefully (alternating bowing).
- ③ Go directly from one finger to another (walking fingers).
- ④ This note sounds well as a harmonic on the G string. The practice of harmonics will prepare shifting into positions and later vibrato study.

Harmonics

Practice shifting the hand up along the neck until it hits the shoulder of the viola. Extend the 4th finger without curving it, and touch the string lightly. Your teacher will help you discover other harmonics on your viola.

(Hunters' Chorus)

- ① Practice "lift and set" silently in the middle of the bow until the bow can be placed securely on the string without tremor. Then play the first two notes, coming off the string on the ∇ bow, setting in lower half for the \square bow, and gripping the string before playing. Place only the 3rd finger on the D string.

2

Practice runs ascending and descending slowly, and then twice as fast. Place only the 3rd finger on the lower string.

Practice using only hand motion to change strings, keeping arm on the level of the higher string.

3

4 To prepare for the accent, lift and set the bow, experimenting to find the exact amount of weight to give the hair on the string. Make the accent by speeding the bow stroke. Release weight after the initial attack.

5

Use full bow on $\underline{\text{quarter note}}$ and two equal short strokes on $\underline{\text{beamed eighth notes}}$ sounding alike at frog and point. Relax bow arm slightly to release weight after the quarter notes.

6 Use lower part of bow. Lift slightly after each up-bow.

7

As in ex. 4, speed the bow on the accent. To clarify the string crossing, practice this exercise until the quick upward motion of the hand feels comfortable.

(Long, Long Ago)

The double up-bow is like that in the Minuets of Bach.
Keep bow on the string. Use small bow strokes.

Hold down the melody fingers on the D string (in the variation) while crossing the bow to the G string.

(Waltz)

Practice a long down-bow, releasing weight and lessening the bow speed when approaching the tip.

Release weight during the dotted quarter, applying new weight to the slurred eighth notes. Use faster, lighter stroke for up-bow.

Supplementary Shifting Studies

These are various shifting patterns, to be selected for practice as they appear in the student's repertoire.

2nd Position – Shifting on One Finger

The basic rule in moving the hand from one position to another is to shift on the finger last used. This is a continuation of the other basic fingering rule: go directly from one finger to another whenever possible.

2nd Position – Shifting from One Finger to Another

Always shift on the finger last used. The note in parenthesis indicates the movement of the shifting finger. First practice playing this note audibly. It should not be heard as ability grows.

3rd Position

(Bourrée)

Repeat the following pattern (*f* and *p*) until the bow division is controlled, and the changes are smooth. Then adjust the length of the bow strokes and the bow speed for more expressive musical phrasing and dynamics.

A musical staff in treble clef with a 3/4 time signature. The notation shows a sequence of notes with various bowing techniques indicated by arrows and labels: 'V' (down-bow), 'half bow' (two arrows pointing to a pair of notes), 'middle' (an arrow pointing to a note), and 'lower part of bow' (two arrows pointing to notes). A bracket labeled 'half bow' spans two notes. Below the staff, the text reads: 'Start up-bow slowly and increase speed to maintain the sound.'

(The Two Grenadiers)

①

A musical staff in treble clef with a 3/4 time signature. The notation shows a sequence of notes with a 'V' (down-bow) and arrows pointing to notes with the labels 'stop bow' and 'connect smoothly'.

② After first down bow, lift and reset at frog. Hand makes small, quick circle.

③ Practice first:

A musical staff in treble clef with a 3/4 time signature. The notation shows a sequence of notes with arrows pointing to notes and the label 'say "stop"'. A slur is over the first two notes.

④

A musical staff in treble clef with a 3/4 time signature. The notation shows a sequence of notes with a slur over the first two notes.

Practice with full bow. Begin the bow with enough motion to avoid speeding up in the middle of the stroke.

(Witches' Dance)

①

A musical staff in treble clef with a 3/4 time signature. The notation shows a sequence of notes with a 'V' (down-bow) and an arrow pointing to a note with the label 'quick bow'.

Begin at middle of bow. Use upper half.

Speed the bow on the attack, then slow the bow. Go back to middle on up-bow.

2

Begin slightly below middle of bow.

Lift and set in strict rhythm.

Play ten times. Repeat until sound is clear and brilliant. Use broad détaché strokes, smoothly connected. Sustain quarter note full length.

3 Watch the changing finger patterns:

1st finger low, close to nut

Tuck 1 under 2.

Pull 1 back close to nut.

Tuck 2 under 3.

4 To develop speed on the last four measures, practice the following exercise faster than the tempo of the piece. Keep bow lightly on string during the rest. Stop, think the next notes as a group, then play.

(Gavotte from "Mignon")

1 Do not change the "frame" of the hand, but reach back with the 1st finger for E \flat .

2 Practice string-crossing on open strings.

③

The E \flat major scale shows the finger pattern for the middle section of Gavotte (finger pattern 4). Move hand back, close to nut.

- ④ After the double up-bow, continue upward motion of the arm to bring the hand to the pizzicato position. Extend 1st finger for the pizz. without changing bow hold. Try to achieve a rich, full sound on the final chords.

(Gavotte)

- ① Practice ten times.

Then play:

- ② Trill practice.
Drop the 2nd finger as quickly as possible.
Keep 1st finger down firmly.

Lift 2nd finger high.

Reverse rhythm. Keep 2nd finger close to string.

- ③ Shifting in and out of 3rd position.

etc.

Shift up.

Stop; prepare 1st finger on B \flat and 2nd finger on C \sharp ; then play.

4

Exercise for 1st finger extension.

Hold down 2 on A string silently while playing on D string.

5

Compare the measures written in treble clef with the identical passage (line above) written in alto clef. As you play with increasing frequency in 3rd position it will be necessary to read treble clef.

(Minuet in G)

1

To prepare this:

Practice:

Release arm weight and reduce bow speed between notes.

2

Practice shifting in and out of half-position carefully.

3

Treble clef, 3rd position, and harmonic.

4

whole-step reach step-and-a-half reach

Flatten and reach 3rd finger toward bridge.

5

To prepare bowing for trio, practice:

Stop bow.
