

CIVIC SERVICE - France

A volunteer is needed in the city of Grenoble to coordinate actions in an association working with migrants.

Description of the organisation:

The association ADATE works with about 90 minor migrants per year: they are in a situation of isolation, waiting for a court decision. They are followed by ADATE for about 3 months during which some volunteers provide activities for them, such as visits or classes.

Missions:

The activities are already organised by the volunteers, but what is needed is a coordinator to fulfil the following missions:

- Setting up educational, cultural or sports activities for the young migrants during their stay, and taking part in these activities;
- Building up partnerships with other organisations who can facilitate these activities;
- Planning management of the volunteers.

Profile that is looked for:

- Being independent and rigorous
- Willing to work with under eighteen foreigners
- On a linguistic level: knowing French and English or any other language (Portuguese, Arabic...)
- Good listening and talking skills

Details:

- **How many hours per week?** During 9 months, starting in January 2014.
- The volunteer is under the French Civic Service scheme: he will be welcomed and helped by Itinéraire International at the beginning, and then be autonomous. More information on www.service-civique.gouv.fr
- The financial compensation is 570 euros a month + access to French housing allowance.
