PRAYER IN PREPARATION FOR THE AMAZON SYNOD

Lord, help your Church to listen
to the people of the Amazon,
and to respond with them
to the devastation
facing both people and environment.
The Amazon in all its biodiversity
and cultural richness
is "a mirror of all humanity".*
To defend it, we must all make changes within ourselves,
our nations,
and within the Church.

As we travel the journey Laudato Sí sets out before us. may we be more aware of the ecological and cultural crisis of the Amazon Basin. and learn how to be better carers and stewards of creation. May we courageously stand against injustices, including: loss of territory, exploitation, threats to biodiversity and the imposition of cultural and economic models which are alien to the lives of indigenous peoples everywhere.

Teach us how to listen deeply,
to act justly,
to love tenderly
and to walk humbly on this earth.
Amen
