

Symposium International "10 years living with Fukushima"

27 février 2021

Information du Dr. med. Alex Rosen

Registration is now possible for the international symposium on the health and environmental effects of the Fukushima nuclear disaster:

[Register online](#)

Due to the current pandemic situation, we have opted for a strictly virtual conference. We will be broadcasting and moderating the symposium from the Charité University Clinic in Berlin and are counting on hundreds of participants from all over the world.

We hope that you can find the time to join as well. The conference starts at 9 am CET (= 8 am GMT, 3 am EST, 5 pm JST, 7 pm AEDT) and lasts until 7 pm CET (= 6 pm GMT, 1 pm EST, 3 am JST, 5 am AEDT). All contributions will be recorded and posted online after the event.

Please spread this invitation over your networks and lists. Thank you and

All the best from Berlin,

Alex Rosen
IPPNW Germany

International Symposium "10 years living with Fukushima"

February 27th, 2021

Charité University Clinic, Berlin

www.fukushima-disaster.de

Program

9.00-9.20 am

Introduction and technical explanations

Dr. Alex Rosen, Pediatrician, Co-chair of IPPNW Germany
