

On Tuesday, 19th November it was again time for our annual Marist Charity Concert for Sister Aurieta's project "Turma do Flau" in Recife, Brasil. For more than 30 years she's been helping neglected children from the Favelas. There - in a safe surrounding - the ca. 300 youths get regular meals, are provided with schooling, hear about Jesus and learn that they have dignity and that for them there's a meaning of life other than crime, drugs and prostitution.

Since 2006 we have been able to donate more than 30,000 € thanks to our pupils' initiative concerning the charity concert in November each year. Usually this event is

accompanied by a poster competition brought into being by one of the art teachers, Mrs Karin Hölzlwimmer. And the pupils are really creative!

"It was fun to play with my music teacher", Samuel aged 12 said after the concert. "And it's good to be able to do something for the children in Turma do

Flau." It is, indeed. Kudos, girls and boys!
