

CREEP.

It's a song by Radiohead, a British band.

It's about a person who thinks he is ugly, uninteresting, boring - a creep, a weirdo.

He's probably a nerd.

He has met this girl, who is beautiful and very special (to him). She probably belongs to a popular clique. She may even be a cheerleader.

He can't look at her because he's shy and he is not confident enough.

He would like to be special and beautiful.

He shouldn't worry about his appearance, he should go and talk to her.
