## Description of the mobility experience

### 2 OBJECTIVE OF THE MOBILITY EXPERIENCE \*

1 The main focus of the training was the intercultural education, in the context of increasing diversity in our society. Intercultural education is the response to classroom diversity aiming to go beyond passive coexistence, to achieve a developing and sustainable way of living together in multicultural societies. The 6-day course gave participants theoretical background about intercultural education, as well as practical guidelines to integrate activities and implement programmes across the areas of curriculum and school life.
