Men

Source <http://www.coudre-broder-tricoter.com/burda/taillehomme.htm>

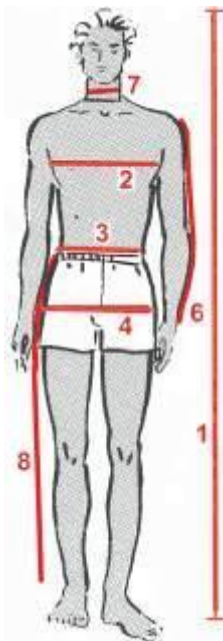

Be careful : this table from Burda considers that men size begins with 44 for 78 cm waist size and that height grows with the waist size... the waist size naturally but the height... I've got doubts !!!

Use PM2 (chest size) for jackets, vests, coats

Use PM 4 (hip size) for trousers

Use PM 7 (collar size) for shirts
