

Effortless English

Hitch 1

swept off my feet:
idiom. fall in love very strongly

need some space:
idiom. need time alone, need time away from other people

into my career: idiom. focused on my job, concentrating on my job
nonverbal: adj. not speech, not related to speaking

tone: n. intonation, pitch

ain't: v. (casual) am not, are not, is not

wanna: v. want to hurt your feelings:
idiom. make you feel upset or sad or hurt

that's where I come in: idiom. that's when I begin, that's where I start

open her eyes: idiom. make her understand, make her realize

sweep any woman off her feet: idiom. make any woman fall in love with (him, you) needs the right broom: joke. needs the right technique (he's joking about the different meanings of the word "sweep" here).

Basic principles:

No woman wakes up saying: "God, I hope I don't get swept off my feet today."

Now, she might say, "This is a really bad time for me."

Or something like, "I just need some space." Or my personal favorite: "I'm really into my career right now."

You believe that? Neither does she. You know why? Because she's lying to you, that's why. You understand me? Lying. It's not a bad time for her. She doesn't need any space. She may be into her career... but what she's really saying is, "Get away from me now." Or possibly, "Try harder, stupid." Well, which one is it?

60 % of all human communication is nonverbal-- Body language.

30% is your tone. So that means that 90% of what you're saying... ain't coming out of your mouth.

(Toby! Shit!)

Of course she's gonna lie to you. She's a nice person; she doesn't wanna hurt your feelings. What else is she gonna say? She doesn't even know you. Yet.

Luckily, the fact is, that just like the rest of us... even a beautiful woman doesn't know what she wants-- until she sees it.

And that's where I come in.

My job is to open her eyes.

(Toby! Oh, my God! Is this what you're looking for?)

Basic principles: No matter what, no matter when, no matter who..

any man has a chance to sweep any woman off her feet. Just needs the right broom.
