

Art is

- For me, Art is a dimension, a <sup>world</sup> that allows to be ~~freedom~~.  
We can find various kinds of Art,  
Art is very different domains like drawing, photography.

Everybody ~~allows~~ to make Art. All ~~allows~~ become Art.  
is able Everything / Anything can become Art.

For me Art is <sup>allows anyone to</sup> a thing <sup>to express himself</sup> to explain <sup>yourself</sup> to create many things. Sometimes the Art doesn't mean anything but it's <sup>remains</sup> interesting. The art I prefer ~~of the art~~ is handmade.  
created by the hand ~~so for me~~ directly.

For me, art allows ~~anyone~~ someone to express <sup>anything</sup> something. People can have feelings when they see it. It can be a music which denounces racism, a painting, a movie or a cartoon. Art allows to find our style, our <sup>characteristics</sup> characteristics.

For me, Art is a way to <sup>express ourselves</sup> express yourself. It's a free expression that everybody can do. It's a way to <sup>convey</sup> draw your feelings, your mood and share ~~for~~ it / them.

For me art is everything, art is everywhere.

Art is something beautiful <sup>a</sup> like flower and <sup>or a</sup> butterfly.

We can say <sup>whatever</sup> what you want with art.  
we feel like
