

The Fake DN MADE record book

READING, UNDERSTANDING, SUMMARIZING, WRITING, CREATING....

Have you already dreamt of becoming a super star? Do you have super powers? It's time for you to show how extraordinary you, your classmates and your English teacher are... Crazy, isn't it?

STEP 1: Go on the following website:

<https://www.guinnessworldrecords.com/news/latest-news>

Click on **Record category** and choose the **CATEGORY** that interests or fits you the most. Check if this category is documented enough... it will be very helpful.

STEP 2: Now choose 3 records you would like to deal with in the category you have chosen. Read each presentation carefully and take notes in English of the most important and relevant information about your records (information you will need after...).

	Record 1: you will be the winner of this record	Record 2: Choose someone in your class or else...	Record 3: Miss Conrard will be the record woman of this one 😊
What?			
When?			
Where?

STEP 3: Time to write: summarize with proper English sentences the information you want to keep in your 3 presentations.

STEP 4: Search for photos or create a sketch or several ones to illustrate each record you have chosen.

STEP 5: Now, present your 3 records on an A4 format (pdf required). Everything must be written in English obviously. Your layout must be attractive and creative.

When assembled, ALL your records will create our **UNIQUE FAKE DN MADE RECORD BOOK** 😊

DEADLINE: Two sessions for the research work and the first 3 steps. The rest will be done after...
