

Get ready to dazzle your audience with Miss Conrard's Guide to Crafting a Winning Speech!

The ultimate objective of any speech is **to win over** your listeners. That's why the **tone** you choose to employ **plays a vital role** in your success.

Your mission, should you choose to accept it, is **to captivate** your audience and **get them to respond!**

So, let's get straight to the point and **leave no room for doubt!**

To make your speech **an absolute hit**, structure your ideas into distinct paragraphs and **sprinkle** them with **striking** words that **pack a punch**.

TO START YOUR SPEECH

Greetings, my beloved classmates...
and to all the fine ladies and gents out
there...

TO INTRODUCE YOURSELF

Greetings, Earthlings! I go by the name of... and as for
today...

TO INTRODUCE YOUR TOPIC

Today, I'm here to discuss about a burning topic:
In my humble opinion, one of the most pressing concerns we
currently face is...

TO ANNOUNCE THE CONTENT OF YOUR SPEECH

Every day, I remind myself that...
I can't help but feel extra concerned about...what about you?

TO ENGAGE YOUR AUDIENCE

We, as a team, have the power to transform this
situation.
Isn't it only fair to give it a shot?

TO CONVINCE YOUR AUDIENCE

"Cross my heart and hope to make a change..."
"I'm all in, and here's what I'll do..."
"Join the crusade to fight for/against..."
"Let's make a change in the universe, shall we?"

TO STAND UP

Today is our chance to seize the day and...
This situation has gone on for too long.
It's intolerable!
What a tragedy!
How disheartening!
What a bummer!

SLOGAN, LEITMOTIF

Let's conquer this challenge and ...

TO FINISH YOUR SPEECH

Come aboard our mission and help create a brighter tomorrow! Trust
me, you won't regret it!
