ABBREVIATIONS

Ch Chain **Chsp** Chain Space **Col** Colour **Dc** Double Crochet
RS Right Side **Slst** Slip Stitch **Tr** Treble

Pattern Notes:

For a clean colour change on the increase section of your square, work the colour change in the last yarn over of the last tr in the row below.

To change colours on the decrease section, use your new colour to make the final slst in the chain space you will work the first cluster of the new row.

You can carry your white up the side of your work. Just make sure to work around it when working your border.

Border:

Round 1: With RS facing, reattach Col A in any corner space. Working down the edge of the square. 1ch, *(1dc, 2ch, 1dc) in corner space, dc 27 sts evenly across, this worked out to: 2 dc into each 3chsp and 1 dc into each tr down the edge; rep from * around. Join. 116 sts.

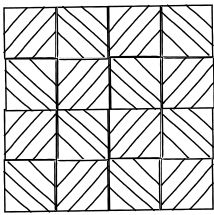

Joining Squares:

Using photos as a guide, hold squares RS together. Work 1 dc into the 2chsp at the corner. Working into the outer loops only dc across. Pick up another 2 squares and join as before across each row. Join rows together in same fashion.

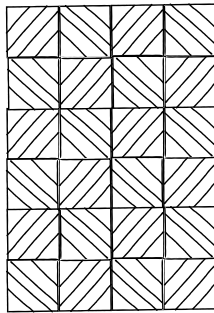

Border:

Join yarn in one corner, with RS facing. 3ch (does not count as a stitch), *(1tr, 3ch, 1tr) in 2 chsp, tr in each dc and joining row end to corner; rep from * around. Join. Break yarn and weave in ends.
