# COMPETITION GUIDE

Bogota, Colombia. May 29th & 30th of 2021

# 1. Welcome and Introduction

The Colombian Cycling Federation and the city of Bogotá is proud to invite you to participate in the UCI BMX World Cup 2021, event to be held during May 28, 29 and 30 of 2021 in Bogotá, Colombia.

Bogotá is the capital and the largest city in Colombia, with an attitude of 2,630 meters above sea level and with an area of 1,587 km is a point of convergence of people from all over the country, it is diverse and multicultural: it combines modern constructions with others that evoke its colonial past. Bogotá is green thanks to its parks and the eastern hills that dominate the sanctuaries of Monserrate and Guadalupe, but it also has the color of the brick of numerous buildings also called colonial treasures.

We hope you enjoy the event and your stay in Bogotá.

# Under 23

## **Under 23, the new category in the 2021 World Cup program.**

From 2021, the UCI is excited to announce the introduction of a new category to the UCI BMX Supercross series, the Under 23 category, offered for both Men and Women.

The UCI, in consultation with the BMX Commission has introduced the Under 23 category on a trial basis for 2021 with a view to fully integrate the categories from 2022 to the series.

The new category provides an opportunity for riders to join the series and enjoy an introduction to the UCI BMX Supercross World Cup series, without immediately racing against the Elite riders of the sport. The racing format for the category will be the same as the Elite categories, with riders starting with the First Round, Last Chance qualifier, then moving into the qualifiers and the final.

By offering the category, there will be more opportunity for the riders to reach the final, more opportunities for podium positions and more opportunities to win prize money.

For the 2021 series, riders can elect to enter either the Elite or Under 23 category, it is not mandatory to enter the Under 23 category and riders may choose to register for either category at each leg of the series. There is no requirement to remain in the Under 23 or the Elite category for the whole season.

World Cup standings will be calculated for the Under 23 category, however no UCI Ranking points will be available for the 2021 series.

## **UCI BMX WORLD CUP STANDINGS**

A further development for 2021 is that the UCI BMX Supercross World Cup standing will be published for the first time on the UCI Website. This will allow all riders and teams to view their standings in one place.
