1. INTRODUCTION

This year for the first time @Papendal: the UEC BMX European Cup. Where power, technology and guts come together. Where the world's best BMX riders compete with each other. But also the place to introduce the youngest BMX riders to Papendal.

2. TRACK DETAILS

The BMX Supercross track at Olympic Training Centre Papendal was built in 2011, going into the Olympic Games of London, a copy of the Olympic track was created. Over the years several changes were made. For example, going into the Olympic Games of Rio de Janeiro 2016, the middle of the track was changed into the Olympic design.

In 2018 the UCI announced that Papendal's bid for the World Championships in 2021 was approved. Therefore in 2019 a 5 meter starting ramp was built and changes to the first straight were made, in order to make the track accessible to all riders. This European Cup provides BMX-riders of all ages with a great opportunity to discover the challenging Papendal track for the first time.

3. THE CITY OF ARNHEM

Even the city is green in the Arnhem region. The diversity of the area's parks makes it very inviting to stroll, enjoy a picnic or just be lazy. But don't linger too long, because Arnhem has so much more to offer. As a fashion and design city, for example, with its famous fashion district, Modekwartier, collections from the art and fashion academy ArtEZ and its seven unique streets, the 7straatjes. And it is a city with a rich and eventful history. Go on a historic city walk or follow the Liberation Route past impressive monuments and places of remembrance associated with the renowned Battle of Arnhem.

Right on the outskirts of Arnhem you will find the magnificent Veluwezoom, the oldest National Park in the Netherlands, where you can hike and bike for miles across beautiful heathland and past vast country estates, country houses and castles. A little further to the south, you will arrive in the area known as De Liemers where the River Rhine makes its way through a glorious river landscape as it flows into the Netherlands from Germany. This is an area where you can have lots of fun in and around the water – in the recreational area called De Bijland for example – and enjoy the most delicious regional products grown in the fertile river soil.

The Arnhem region is a great place to enjoy culinary delights, no matter whether you visit an elegant castle restaurant or a cosy brasserie, an outdoor café in the city or a farmhouse garden. It is a place to enjoy local specialities or international cuisine, or a delicious Dutch pancake – with syrup, of course!

Make sure that you stick around for a while! There is so much to see in the Netherlands! On this page we will give you some ideas on what to see and do!

The Gelredome

The Gelredome is usually used as the home base for football club Vitesse, but it also offers space for national and international concerts. Football club Vitesse also trains on the grounds of Papendal, where Hotel Papendal is also located.

Airborne Museum

"Hartenstein" is located in Oosterbeek and is about the Battle of Arnhem during the Second World War in September 1944. The museum is located in the former headquarters of the English.

National Park 'De Hoge Veluwe'

The Hoge Veluwe National Park is the largest contiguous nature reserve in the Netherlands. The area consists of 5,400 hectares of forest, heather, ferns, and drifting sand. There is a great diversity of plant and animal species.

The Kröller-Müller Museum

The Kröller-Müller Museum is a museum for modern art, located in the National Park De Hoge Veluwe in Otterlo. The museum and the adjacent sculpture park together are about 25 hectares. More than 250,000 visitors come from home and abroad every year.

The Dutch Open-Air Museum

The Dutch Open-Air Museum in Arnhem gives an impression of life in the Netherlands during the past centuries. Living and working by the Dutch are depicted using mostly displaced original buildings, such as farms, windmills, a Zeeland church and a steam dairy.

Burgers' Zoo

With over 1.5 million visitors, Arnhem Zoo Burgers' Zoo is the most visited attraction in Gelderland. Burgers' Zoo is known for the Burgers' Desert and the Burgers' Ocean, with an aquarium of over 8 million liters and the second largest coral reef aquarium in the world.
