*3 sun-kissed cruises
aboard the glamorous*

SS FRANCE

the world's newest and longest liner!

All yours! The longest ship afloat . . . the sleek and chic pace-setter of the transatlantic run . . . the newest interpretation of the finest in ship traditions . . . all yours to enjoy on any one of 3 exciting winter cruises to the isles of the Caribbean. The spectacular FRANCE proudly announces her 1963-64 cruise season.

The moment you board this glamorous liner, you recognize that you are entering a totally new world of beauty and pleasure . . . the epitome of the art and glamour of France itself. Surprise after surprise awaits your eye as you wander through the multitude of luxurious rooms. Nearly a mile of sun-washed open and covered decks await your exploring feet. And as you glide through tropic seas . . . two pairs of stabilizers assure your silky smooth ride. Complete air-conditioning and full sound-proofing further guard your comfort. Revel in 2 swimming pools (one glass-enclosed and sunlit), spacious staterooms all with private facilities . . . with alert personnel to pamper your every whim with inimitable French service. Savor those gastro-

nomie triumphs, the gourmet cuisine that only the French have mastered so well.

This is your enchanted ship to carry you upon an enchanted sea—to discover sun-drenched tropics. Quaint ports delight your eye with scenic surprises. Loll on palm-fringed beaches, gape at vibrant native colors, tantalize your ears with strange steel drum rhythms, hunt bargains in free ports! Your companions on this shipboard adventure will be as astute and discriminating in their tastes as you, yourself. For, on voyage after voyage, the S.S. France has earned renown for her star-studded passenger list. On these cruises, as at other times, she will undoubtedly attract a superior clientele. For the connoisseurs . . . for those who appreciate the refinements of comfort and luxury . . . these days will be an exceptional experience. For beyond the pleasure of the S.S. France's opulent appointments and expert service, you will enjoy the sensation of being identified and feted with her in harbors where such a ship is almost never seen, and her coming is news for many days.

Port Everglades will not be an excursion port but merely a port of call for the purpose of embarking passengers southbound and disembarking them northbound.

The FRANCE will also make a cruise from European ports (Le Havre and Southampton) on Feb. 4, 1964 to Canary Islands, Dakar, and Lisbon.
