This design is 70 stitches wide x 97 stitches tall. On 14 count fabric or 28 count stitched over two threads, the finished size is 5" x 7".

A 9" x 12" piece of fabric is recommended for this project.

- The center of the chart is indicated above by two black arrows.
- All your top stitches should face in the same direction.
- Use 6 strand cotton floss and work with 2 strands at a time, unless indicated otherwise.
- Use a blunt tipped tapestry needle, I recommend size 24-28.
