LOGIX printemps

Matériel :

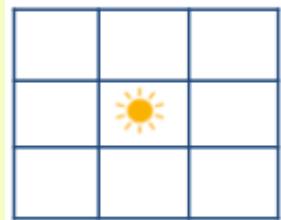

- 6 grilles pour jouer + 1 pour un 7^{ème} élève
- 6 fiches de consignes (en imprimer une supplémentaire pour un 7^{ème} élève)
- 6 séries de 9 étiquettes + 1 pour un 7^{ème} élève + le verso
- 1 fiche de correction + 1 fiche de présentation à imprimer au verso

Règle du jeu :

Le but est de placer chacune des 9 étiquettes au bon endroit sur la grille en regardant l'emplacement désigné par la case grisée de la grille consigne placée sous chaque image.

Ex :

fiche consignes

grille pour jouer

La fiche de correction permet aux élèves de vérifier seuls si leur grille est correcte.

Bon atelier à tous, Maitresse Marilyne !
