

Seagull Clock Project Information: 101w x 101h = 7 1/4" x 7 1/4". The design was stitched on 14 ct. White Vinyl-Weave™ from Crafter's Pride for a Black Stitch-A-Clock™ also from Crafter's Pride. Gray area is center of design and indicates placement for clock hands. Use 2 strands of floss for the full crosses and 1 strand for the backstitch, unless otherwise noted in the color key.
