SLIPPER-SANDAL

*Sure to delight the most feminine fancy—
and please the most practical—
a soft slipper-sandal that prettily pampers
shop-weary feet. Make it in no time—
have friends and family walking on air!*

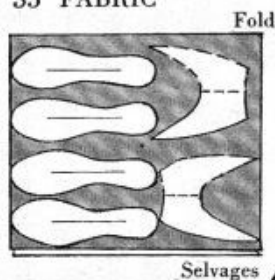

MATERIALS NEEDED

½ yard 35 inch Quilting
4⅞ yards ½ inch Bias Fold Tape
½ yard ¾ inch Elastic

CUTTING DIRECTIONS

1. Cut out or trace pattern.
2. Place pattern on fabric according to layout. Mark lines and dots. Note:

sewing instructions

1. SOLE—Baste two sections of quilted fabric together, edges even.

2. STRAP—For each slipper, cut two pieces bias fold tape each $14\frac{1}{2}$ inches long. Stitch two pieces together, right sides out, forming a casing.

Insert a $7\frac{1}{2}$ inch strip of elastic in each casing, fastening ends securely.

3. Tack straps in position at small dots on upper sole.

4. TOP OF SLIPPER—Baste two sections of fabric together, edges even.

5. Bind edges at toe and instep with bias fold tape.

6. Baste top of slipper to sole with double dots matched. Bind entire edge.

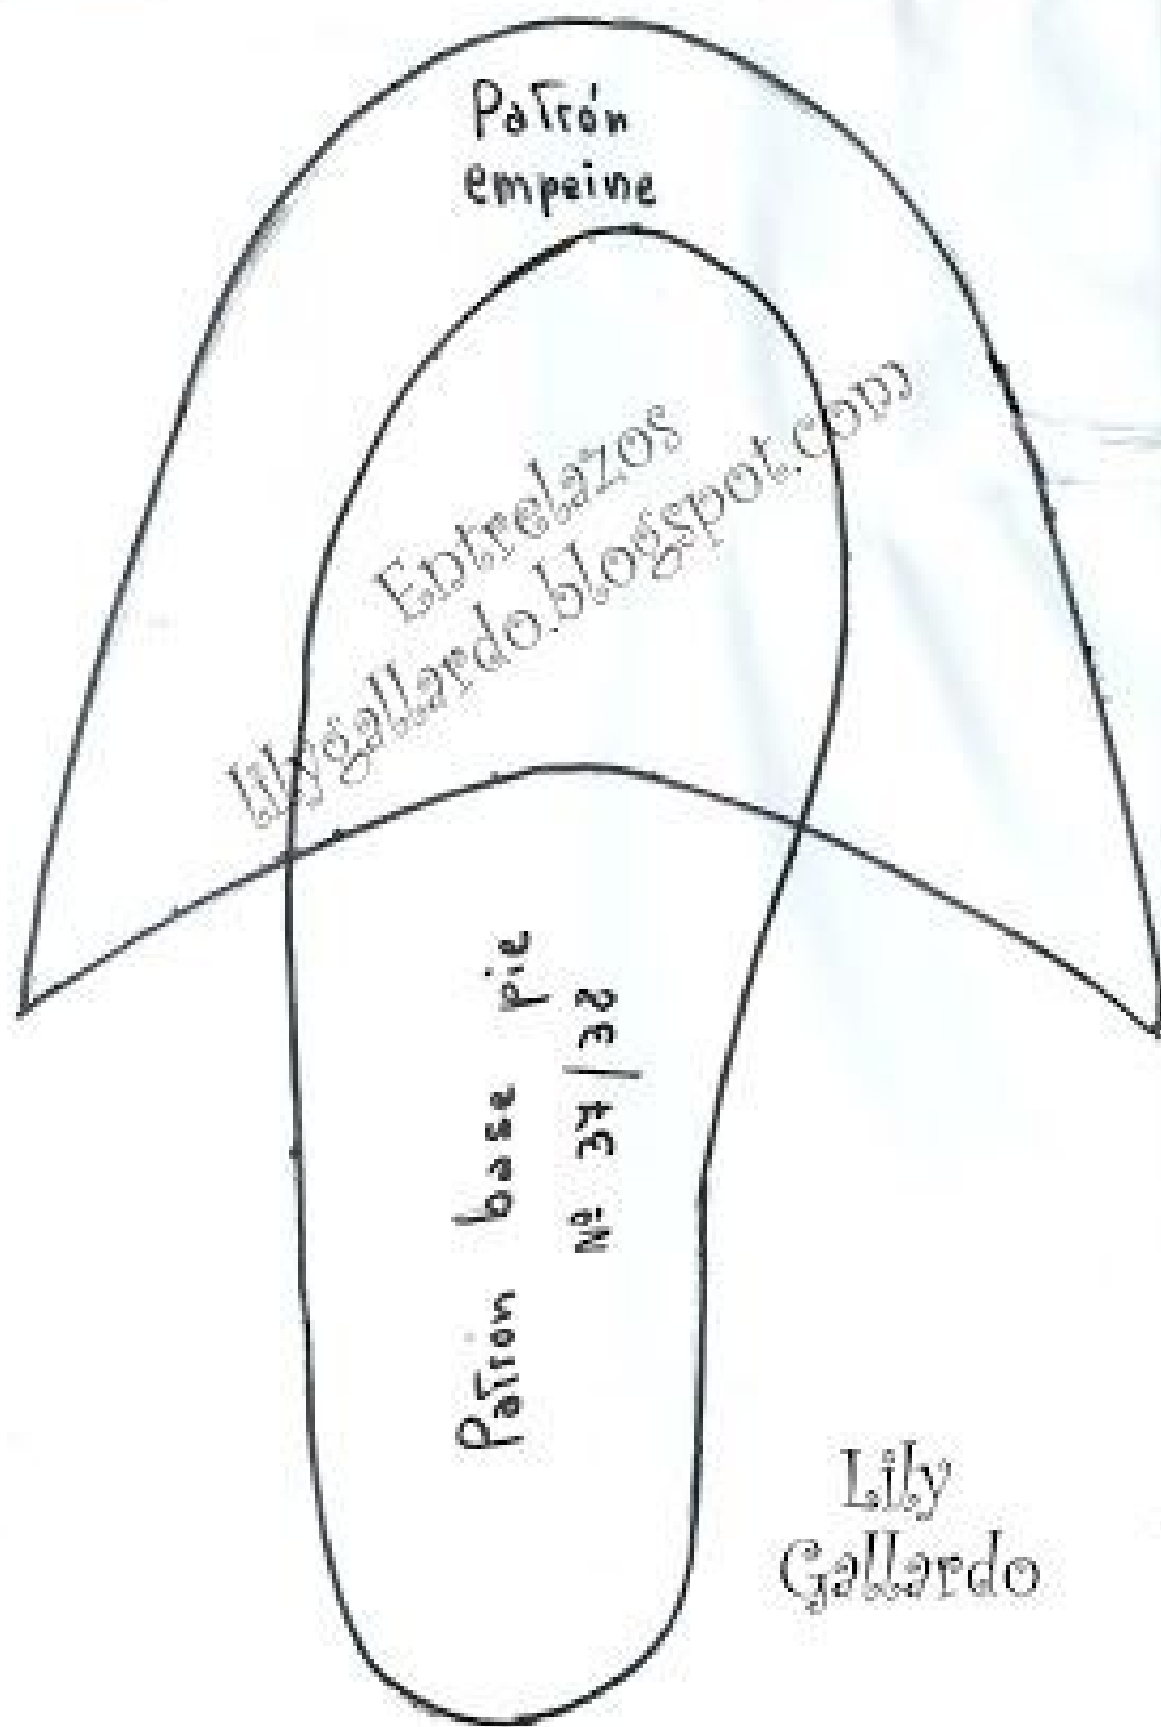

7. Baste remaining two sections of sole together. Bind entire edge.

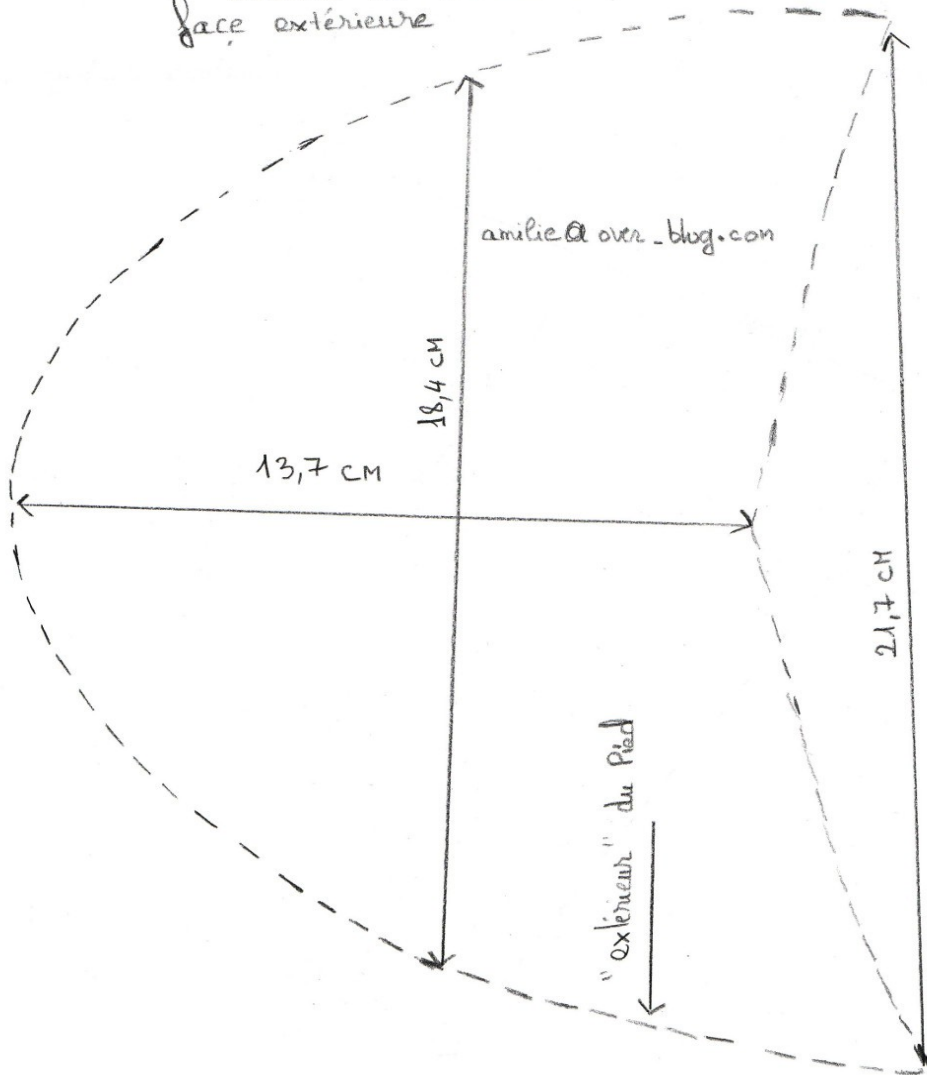

8. Apply to bottom of slipper, edges even. Stitch both soles together close to inner edge of binding.
