The image displays a large grid of symbols used for cross-stitching. The grid is organized into columns labeled 1, 11, 21, 31, 41, 51, 61, and 71, and rows labeled 111, 101, and 91. Each cell in the grid contains a small symbol, such as a dot, a cross, a triangle, or a square, representing a specific stitch or color placement. The symbols are arranged in a complex, repeating pattern that forms a larger design when stitched. The grid is bordered by a thin line, and the labels are positioned at the top and left edges of the grid.
