Read the text. Choose the right words and write them on the lines.

Kangaroos

Example

Kangaroos sometimes get very hungry because they live in countries where the weather is often very hot and dry. The grass and small plants that kangaroos eat don't grow well when there isn't any rain!

2 Kangaroos have two huge feet and two of their legs are long and strong. They can hop very quickly on these two legs. But kangaroos can't move

3 quickly when they walk on all four legs. Kangaroos have strong

4 tails, which help them to jump. Did you know that kangaroos can

5 swim too? There are four kinds of kangaroo and most live in Australia.

– 6 questions –

Read the story. Choose a word from the box. Write the correct word next to numbers 1–5. There is one example.

Lucy enjoyed reading stories to her little brother, Hugo. His favourite was about an old man who (1) taught a clever monkey in the jungle to make banana cakes! The old man had a long beard and funny moustache. Last Saturday, Hugo said, 'Why can't I have a beard and moustache, Lucy?'

'Because only men can grow those.'

Hugo was (2) sad when his big sister said that.

On Sunday, Lucy found her paint box. 'I've got a great (3) idea, Hugo,' she said.

Lucy carefully painted a black moustache and a beard on her brother's face.

When she was happy with her work, Hugo looked at his face in the

(4) mirror in the bathroom.

'Wow!' he said. 'I love my moustache and beard, but I can never clean my face again.'

'Don't (5) wash your face now, Hugo,' Lucy said. 'But you must do that before you go to bed. Sorry!'
