Great destinations

Yosemite National Park is the greatest place to go rock climbing. If it gets too hot, you can spend some time by the water where you can go rafting or swimming.

You love wild plants and trees? What about joining one of the guided tours to learn more about the vegetation and the wildlife of Yosemite National Park?

Biking is your hobby? Why don't you go cycling around Lake Michigan and discover the wonderful landscape!

Are you a water-sports fan? Why not go waterskiing or swimming?

How about hiking or horse-riding along the river banks between Lake Huron and Lake Michigan? There are more than 200 miles of trails!

Visit us and let's go rafting down the Colorado River. Good swimmers only!

You are crazy about hiking? Why not take a walking tour and discover Grand Canyon Village? Let's live the life of a cowboy and go horse-riding through the Grand Canyon with our guides! The Grand Canyon is also a great place for rock climbing. You will enjoy spectacular views!

Not too sporty? Let's just go swimming and relax!

1. Read the 4 texts and identify the 4 destinations mentioned.
2. Read the texts and list all the activities available in these different places. (Fill in the grid)

Destination 1	Destination 2	Destination 3	Destination 4

3. Read the text and highlight the words that express a suggestion.

You want to explore the swamps and see some alligators! Why not take a swamp boat tour? On this tour you can see alligators and learn about the wildlife.

You like adventure? Why don't you go canoeing on one of the numerous canoe trails.

You like camping? Let's go sleep outdoor in one of the many campsites.

Louisiana is a great destination!
