

A STAGE

Dear Universe,

Grant me a stage to practice WHAT I LEARN,

A stage to SHARE with others WHAT I KNOW and to learn from others
WHAT THEY KNOW,

A stage to learn about MYSELF,

A stage to learn about OTHERS,

Grant me a stage to EXPRESS my passion,

A stage to MINGLE with others,

A stage to CONNECT,

A stage to BELONG to this world,

A stage to PLAY MY PART,

A stage to FULFILL MY CALL,

A stage to STRENGTHEN MY PURPOSE,

A stage to PLANT MY SEED,

A stage to LIVE FULLY

Then, in the absence of a stage, one simply FUMBLES through life with no real aim. One is FRUSTRATED, DESPAIRED and feels like an OUTCAST. Hanging by a thread...

No matter WHERE YOU ARE in your life journey, No matter your age, gender, race or background, EVERYONE needs a stage and there's a stage for everyone.

Define your stage and start living your life, then without it LIFE HAS NO PURPOSE.

What's your STAGE ?
