

Blog:
Trip to Finland 2019

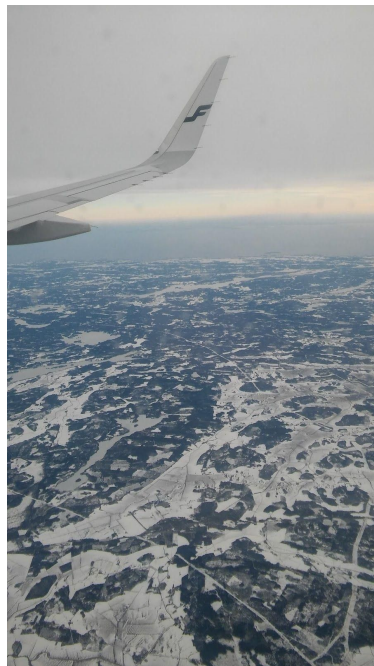

Andrei Glinin
Irene Aguilera

First day (Monday 25 february)

We got up early to be at the airport in Barcelona at one quarter past eight, despite the fact that the flight left at a quarter past ten.

The flight left one hour late and this made us lose the next plane that we took in Helsinki to go to Kajaani (at 16h).

The plan was to arrive in Kajaani at five fifteen and to spend the afternoon with the families, but we had to wait until nine twenty in the evening to catch the next flight. We arrived at Kajaani at ten and there a taxi picked us up, He left the teachers at the hotel and Andrei and Irene in their respective houses with whom they made the exchange. It must be said that in the taxi they gave us a bag to each one, with water, something to snack and papers with information about Finland.

Third day (Wednesday 27 february)

Today we woke up and we get to the school and when we arrived there we went fishing in the ice and we caught a small fish then we returned to the school and we have eaten some meatballs with salad and mashed potato then we went to the Sotkamo's highway school and the sport academy.

Then we went to the testing lab in Vuokatin Urheilopisto where they exploit few things that they do there. After that we arrived to the super park where we were 3:30h hours doing different activities like jumping in pad and getting fit at the gym after that we eat something and we get to the family's home.

Fifth day (Friday 1 march)

Today we have been teaching kindergartens many Spanish, English, French and Romanian words.

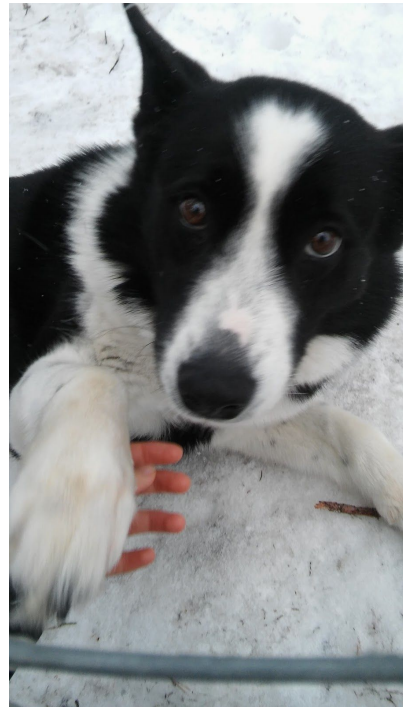

Then we went to lunch and after we went by bus to the Kajaani university of Applied sciences. Then we went by bus to an activity place where we did different activities sports and where Carlos had been named the shadow master.

We went with some Finnish and Romanian group to eat something at an Italian restaurant. At the end we went again by bus to the bowling center where we had a great time, at 16:45h we went by bus to our family's homes.

Sixth day (Saturday 2 march)

Irene: at the morning, after breakfast we went for a walk with the dogs but was snowed a lot and we had to go back to the house, as it was not good weather, I was all day with Essi (the girl with whom I made the exchange), watching movies and series in English. At the night we went to the house where Andrei was, to celebrate his birthday that was friday. The family put us food to eat and we were listening to music and talking.

Andrei: Today I stayed without the family and we had soñe a lot of activities first we went by the snow mobile to the lake and then we took the fishing nets from the water and then we returned to home then i helped oskaris mother to clean the fish latter we went to the pool in Helsinki

were we had a good Time and somos training session when we left the swimming pool we went to a pizzería and eat a great pizza, When we arrives home Oskari's mother had the idea to call Irene and some finish friendship to celebrate my birthday and our last night in finland.

Seventh day (Sunday 3 march)

We get up, have breakfast and after picking up everything, we went to the airport, when we arrived we were told that the flight had been canceled because they were on strike. We went to Kuopio by bus to catch a plane to Helsinki, we spent the night there, in a hotel. We had to get up at three in the morning to take a bus to the airport, where we took a plane to Latvia and from Latvia to Barcelona, we arrived at one half past ten.
