

Barre ou ajoute des feuilles d'automne

Dessins issus de teacherspayteachers dans ces boutiques :

-clever cat creations

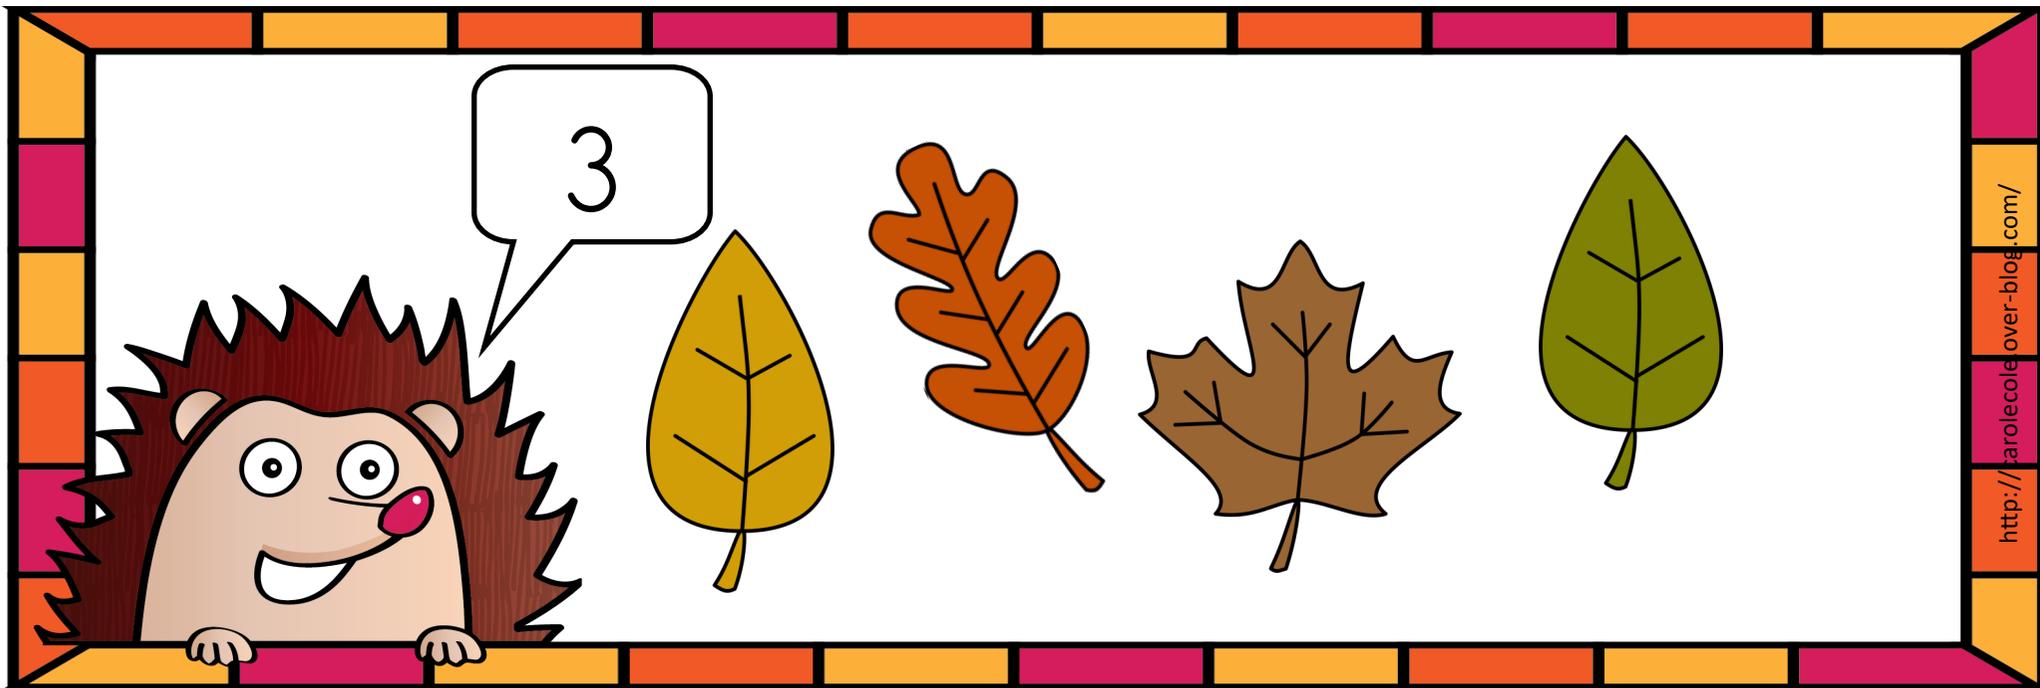

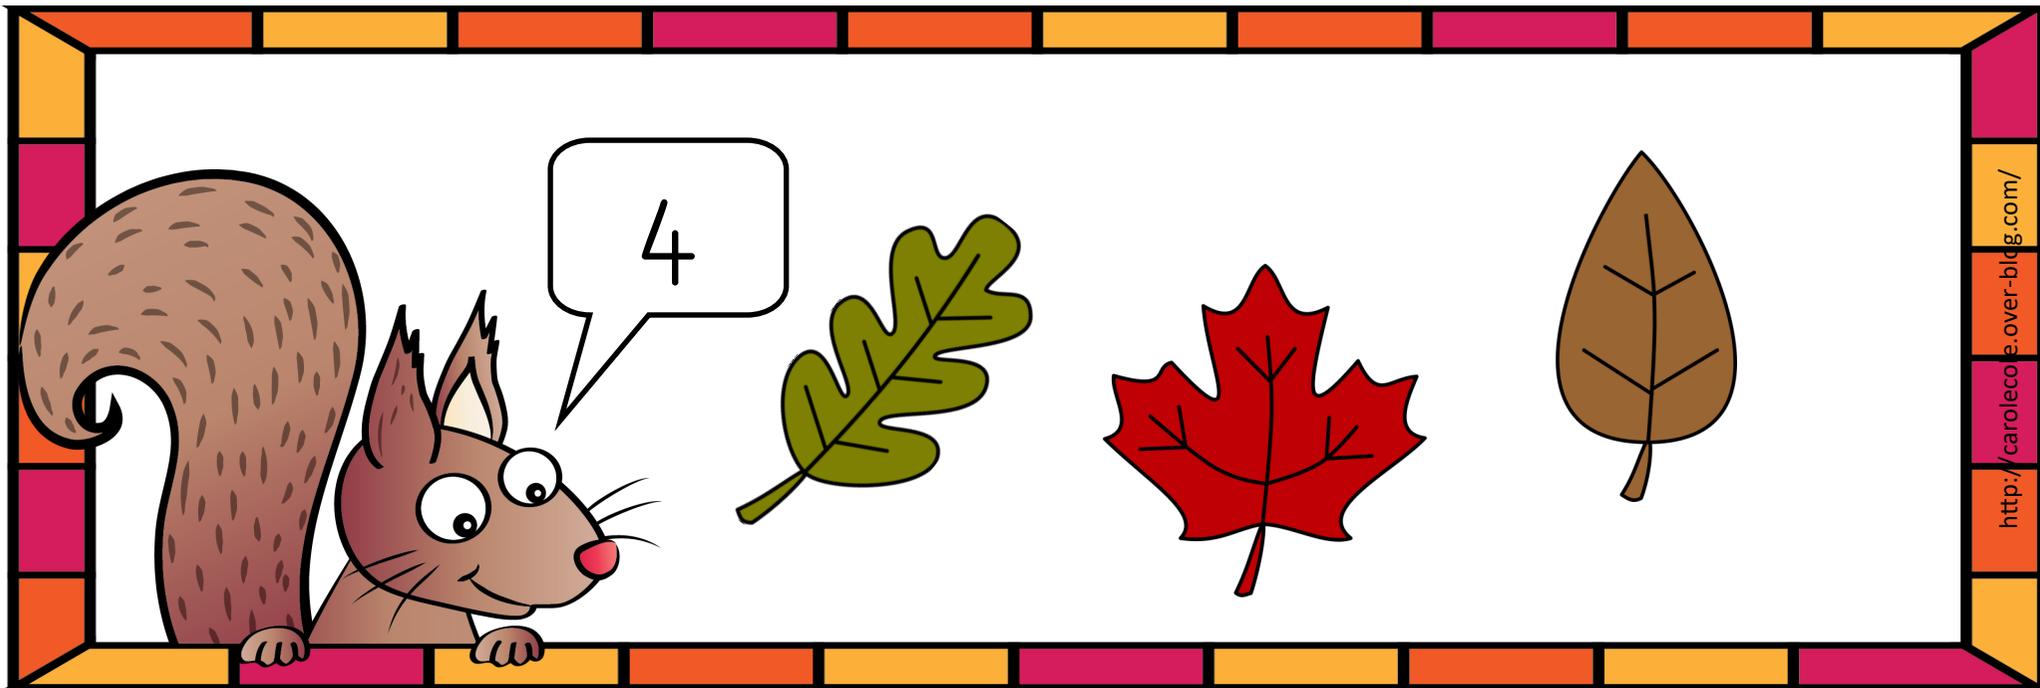

-a hugues design

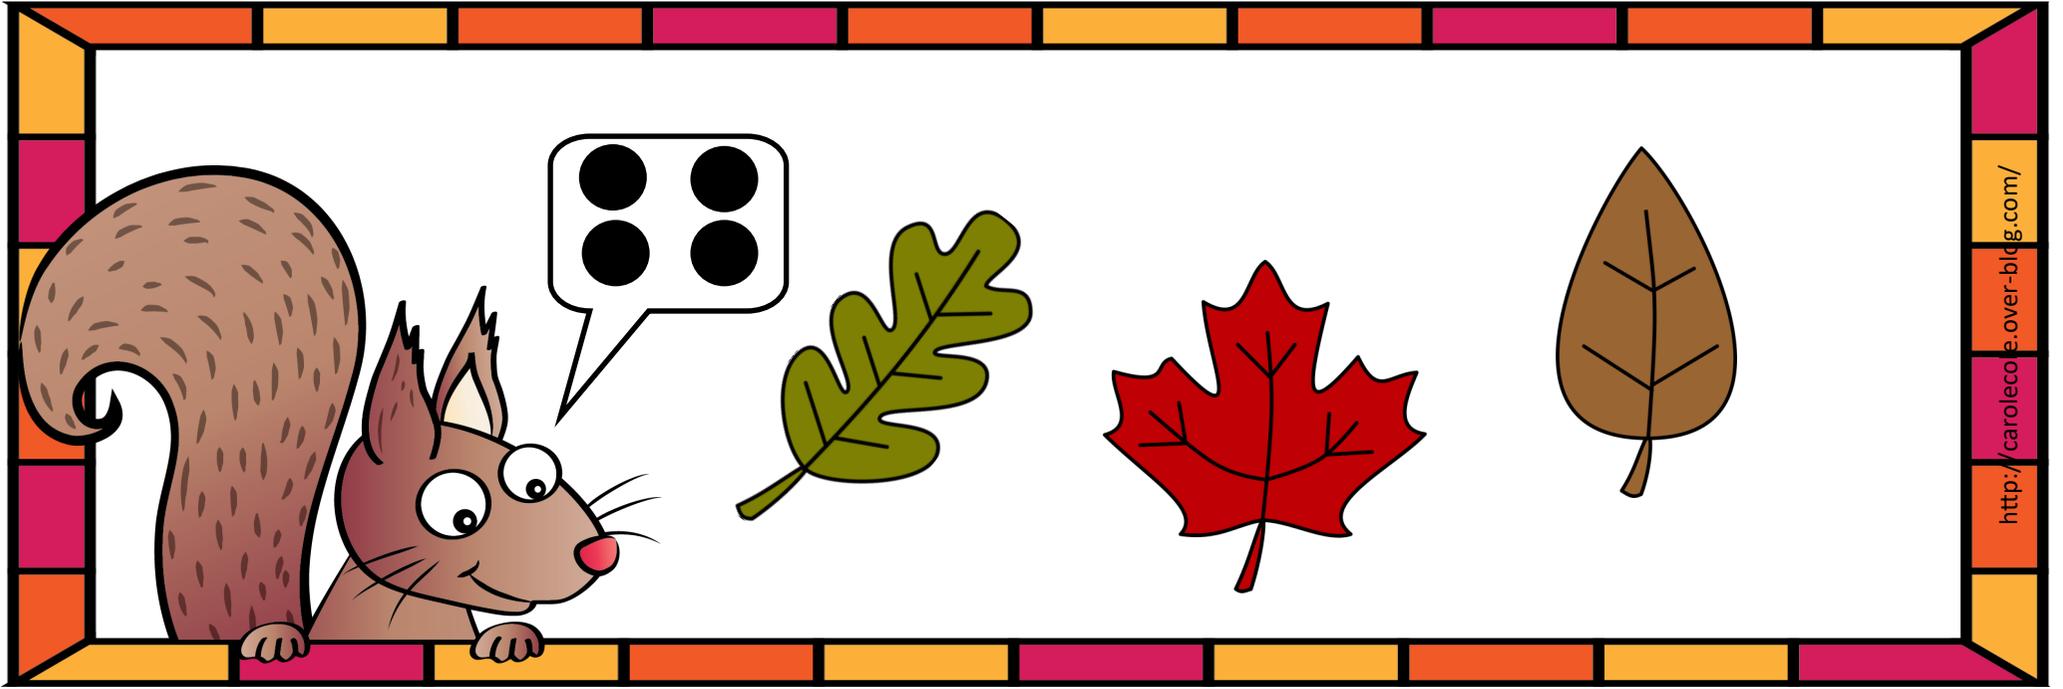

Les animaux de la forêt préparent leur petit nid douillet avec des feuilles.

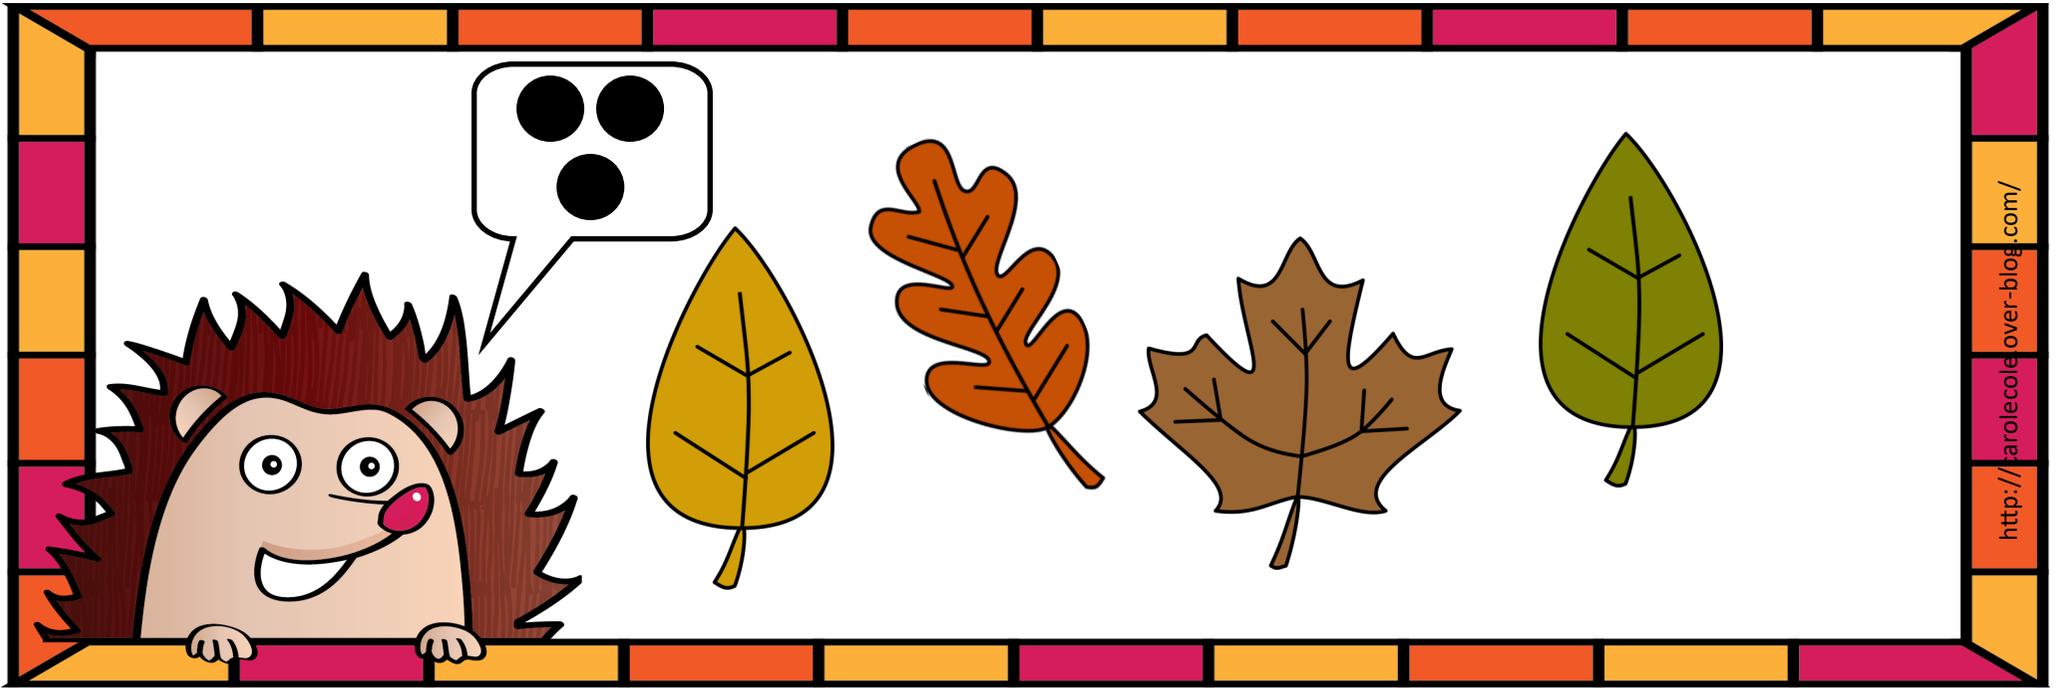

Dans chaque bande, la quantité de feuilles est demandée par les animaux. Parfois, il y en a trop et il faut barrer, parfois il en manque et il faut en ajouter.

Fiches avec écriture chiffrée et constellations de 1 à 4.
