A blue rectangular frame representing a calculator screen. Inside, there is a digital-style display showing the equation  $4 + 3$ . The number 4 is on the left, followed by a black plus sign, and the number 3 is on the right. The digit 4 is composed of several colored segments (red, yellow, green, blue) and the digit 3 is also composed of colored segments (yellow, blue, green, red). To the right of the equation, the result  $= 7$  is displayed in a smaller font. Below the calculator screen, the URL <https://carolecole.over-blog.com/> is written vertically.

A blue rectangular frame representing a calculator screen. Inside, there is a digital-style display showing the equation  $4 + 4$ . The first digit 4 is on the left, followed by a black plus sign, and the second digit 4 is on the right. Both digits 4 are composed of colored segments (red, yellow, green, blue). To the right of the equation, the result  $= 8$  is displayed in a smaller font. Below the calculator screen, the URL <https://carolecole.over-blog.com/> is written vertically.
