

Un de plus Ou Un de moins

Lancer le dé chacun son tour et placer un jeton sur la case $N+1$ ou $N-1$ selon le jeu choisi.

On peut jouer avec 1 seul dé (3 plans de jeu $N+1$ et 3 plans de jeu $N-1$) ou avec 2 dés (3 plans de jeu $N+1$ et 3 plans de jeu $N-1$).

Le premier joueur qui a rempli toutes ses cases de jetons a gagné.
