📍 Kochi, Kerala, India PO 682023

PROFILE

Dynamic and versatile, my line of experience has allowed me to excel in various fields while developing strong skills of communication, adaptability and resilience which I believe is a great asset in the work I do.

EXPERIENCES

- **Interned and volunteered with Pavillions and Interiors Pvt Ltd** - India's premier event management company entrusted with the responsibility of the conference logistics for the conduct of the **46th Antarctic Treaty Consultative Meeting and the 26th Committee for Environmental Protection** which India hosted, coordinated by the **Ministry of Earth sciences and the National Centre for Polar and Ocean Research, Goa. (2024)**
- **Internship with the Cochin Municipal Corporation in collaboration with St. Teresa's College in their 'Suchitwa Mission'**. Our main objective was to promote eco-friendly alternatives, reduce single-use plastics entering the environment and backwaters/oceans in Kochi through effective municipal solid waste segregation and responsible disposal. **(2023)**
- **Fundraising intern for the Muskurahat Foundation NGO:**
Raised a total of 16700/- towards the education of underprivileged children. **(2023)**
- **Executive Team Member of TEDxStTerasasCollege (The TEDx club in my previous institution)**
Was involved in all writing work towards the conduction of the event. This included writing both professional and creative work. **(2022)**

EDUCATION
