

CHEMIN DES NOMBRES

MAITRESSE BIGLOUCHE

<https://maitresse-biglouche.over-blog.com/>

The image displays three overlapping worksheets titled "CHEMIN DES NOMBRES" (Number Path). Each worksheet is designed for a specific number: 1, 3, 5, and 7. The worksheets are arranged in a stack, with the number 3 worksheet in the foreground, the number 1 worksheet behind it, and the number 5 and 7 worksheets further back. Each worksheet consists of a 5x5 grid of cells. The cells contain various visual representations of numbers, including dice faces, ten frames (rows of 10 boxes), counting objects (like flowers, ants, acorns, and hands), and the numbers themselves in colored circles. The background of the worksheets is a colorful illustration of a forest scene with trees, a house, and children playing.
