3. Subjects

The timetable for the student Lisa Vandeweghe has been created taking into account the subjects that the student attends to in Dunkerque and her future academic profile as the student wants to study Spanish philology. Therefore, she will be attending to courses about:

- Spanish language
- Literary creation in Spanish
- Audiovisual communication in Spanish
- Spanish literature
- Universal history
- English
- Physical Education

The student has some free time, marked in green in her time table, to catch up with the most important activities of her curriculum in France and tasks from the sending organization.

The objective of the stay is that the student is exposed to the maximum number of classes in Spanish language and that the content of those lesson match both her curriculum in France and her future studies.

4. Person in charge in the hosting organisation

The following person will be the referent for the student during her stay:
